

CyberPower

GS60304 POWER STRIP

Power multiple devices from a single electrical source or outlet.

Perfect for powering small appliances and household electronics, the general-purpose GS60304 Power Strip from CyberPower provides six grounded, standard spaced outlets and a three-foot power cord. With this power strip, multiple electrical devices can share a single AC wall socket. A 15-Amp circuit breaker prevents overloading.

Features include a lighted on/off switch, an integrated 15-Amp circuit breaker, and damage-resistant housing. The GS60304 Power Strip comes with a one year warranty.
