THE PA962A.
SMART. AFFORDABLE. BUILT TO LAST.

Android for Business

You haven't seen Android done quite like this. Our PA692A operates like a smartphone but performs like a classic work-horse computer. Run multiple apps and store important data on this robust platform with no lagging or waiting. The easy Android operating system makes training a breeze.

All of this on the toughest enclosure built for the challenges of the workforce. The scratchproof, shatterproof screen can take multiple 5-foot falls to concrete. Drop it, get it wet, take it outside—the PA692A can take it.

Key Features:

- Android 4.3
- Beautiful Gorilla Glass III durable touchscreen
- Sunlight-readable display
- Sealed against water and dust
- QWERTY or numeric keypad options
- Integrated barcode scanning and RFID reading

SPECIFICATIONS

System

CPU	TI OMAP 7770 1.5 GHz Dual Core Processor
Memory	1 GB Mobile DDR RAM
	8 GB NAND Flash
OS	Android 4.3
Supported Languages	English, Simp. Chinese, Traditional Chinese, Japanese, Spanish, German, French

Display
Capacitive Touch Panel
Color 3.8" full WVGA with backlight
800 x 480 sunlight readable LCD
Gorilla Glass III

Camera
5.0 Megapixel Rear CMOS Sensor Camera with Auto Focus, LED flash

Keypad
Numeric, QWERTY

Notifications
LEDs, Vibrator

Expansion Slot

Micro SD	MicroSD Slot with SDHC Support (up to 32 GB)

Symbologies

	2D Imager
1D Codes	All major codes
2D Codes	PDF417, Micro PDF417, Composite, RSS, TCL-39, Datamatrix, QR code, Micro QR code, Aztec, MaxiCode, Postal Codes: US PostNet, US Planet, UK Postal, Australian Postal, Japan Postal, Dutch Postal (KIX)

Communication

USB	USB 2.0 Host & Client
WLAN	IEEE 802.11 a/b/g/n
Bluetooth	Bluetooth 4.0 BLE supported
WWAN 4G LTE	Quad band LTE: 700/850/AWS (1700/2100)/1900 Mhz, FDD-Band (5,4,2) Quad Band GSM/GPRS/EDGE: 850/900/1800/1900 MHz
GPS	u-blox 6 High Performance GPS chipset
Other Sensors	eCompass G-sensor

RFID Reader (Optional)

RFID/HF	Frequency: 13.56 MHz Tag Support: ISO15693, ISO14443A, ISO14443B Supports NFC

Power Source

Main battery	8.14 Watt-Hour 3.7V @2200 mAh
	14.8 Watt-Hour 3.7V @4000 mAh

Audio
1W Speaker
3.5mm Headset Jack
Receiver

Enclosure

Weight	13.76 Ounces (with 2200mAh Battery)
	15.17 Ounces (with 4000mAh Battery)
Dimensions	7" H x 2.9" W x 1.6" D (antenna excluded)

Environmental

Operating temperature	14°F to 122°F
Storage temperature	-4°F to 140°F
Charging temperature	32°F to 104°F
Relative humidity	5% ~ 95% (Non-Condensing)
Drop tested	5-Foot
Environmental sealing	IP65

Software
Unitech Mobolink DMS

Accessories
4-Slot Multi-Bay Ethernet Cradle
4-Slot Battery Charger
Field Installable Gun Grip
USB Cradle with Battery Charger
Ethernet Cradle with Battery Charger
Main Battery (2200mAh, 4000mAh)
USB Communication and Charging Cable
RS232 Communication Cable
AC Adaptor

Regulatory Approvals
CE, FCC, BSMI, VCCI, CCC, RoHS Compliance
