# Lexmark X460 Series

## Introducing a big, bright future for small workgroups!

### Who's the right customer?

Small and mid-sized workgroups that want rapid monochrome output speeds, robust security, high-end features and advanced workflow capabilities to help them print less and save more. They'd equally welcome the simplicity of a large, fully customisable colour touch screen.

### Four models available

#### Lexmark X463de

Intuitive 3-in-1 MFP with touch-screen interface, up to 38 ppm

#### Lexmark X464de

Reliable 4-in-1 MFP, including high-speed fax, up to 38 ppm

#### Lexmark X466de

Fully configured MFP with 80GB hard disk and enhanced functions

#### Lexmark X466dte

Includes a second paper drawer for greater input capacity

#### Lexmark X466dwe

Wi-Fi CERTIFIED 802.11n draft 2.0 wireless MFP

### Three great reasons to buy!

#### Rich in features

- Customise the user-friendly touch screen to match your workgroup's specific needs
- Scan directly to multiple destinations, including email, flash drive, FTP and others
- Protect your data, your documents and your device with advanced security features

#### Big on performance

- Enjoy high-speed output up to 38 ppm with the first page out as fast as 6.5 seconds
- Copy and scan quickly with the convenient 50-page automatic document feeder
- Boost productivity with two-sided printing, copying, faxing and colour scanning

#### Exceptionally easy out of the box

- Set up, install and operate your Lexmark X460 Series MFP with total ease
- Access all your critical document functions with the touch of a finger
- Save and retrieve all your own MFP settings on a flash drive with Lexmark's MyMFP

## Lexmark X460 Series in brief

### Cost savings

Each device ships with a 7,000\*-page Lexmark Return Program Toner Cartridge. And you can choose from three replacement cartridge yields: 3,500\*, 9,000\* and 15,000\* pages.

### Performance

With up to 256MB of standard RAM (model dependent), complex jobs are made easy. What's more, you can speed through print runs at up to 38 ppm, with the first page out as fast as 6.5 seconds.

### Features

Enhances productivity thanks to a rich range of workflow features, including cutting-edge security, duplex scanning, MyMFP, Job Waiting (hard disk required), Traffic Shaping and much more.

### Solutions

The Lexmark Embedded Solutions Framework<sup>1</sup> makes it easy to benefit from Lexmark's enterprise workflow solutions, which help you print less, lower costs and reduce waste.

<sup>1</sup> at least 256 MB RAM required

### Environment

In addition to consolidating devices, other eco-benefits include high-yield consumables, duplex printing, and easy recycling with the Lexmark Cartridge Collection Programme.
