

## **4-Port Portable USB 3.0 Hub with Built-in Cable**

*StarTech ID: ST43004UA*

This 4-port portable USB 3.0 hub is tailored to match the stylish design of your MacBook. It features a sleek, silver sandblasted housing that looks great next to your Apple laptop, and because the hub is designed with a solid-aluminum casing, it provides the lightweight durability that's ideal for either travel or desktop usage.

### **Looks great while expanding your connectivity**

This high-quality, Apple style USB hub gives you an easy way to expand your MacBook connectivity. It provides four USB 3.0 (also known as USB 3.1 Gen 1) hub ports in a compact housing, without sacrificing portability or design. Its silver sandblast finish provides a unique and stylish look when compared to traditional hubs.

Now your USB hub can look as trendy and contemporary as your MacBook, Ultrabook, or laptop.

### **Portable and rugged**

If you're looking for portability, then this hub can help. Its compact and lightweight design makes it ideal for travel. Plus, with a built-in USB cable, you can tuck the versatile hub neatly into your travel bag, and avoid the nuisance of carrying around a separate power adapter.

With a rugged aluminum housing, the hub offers dependable protection, so it's perfect for back-and-forth trips from home to office. Plus, the compact USB hub takes up minimal space on a desk, so you can use it in hot-desk or BYOD (Bring Your Own Device) environments.

### **Save money and time**

This bus-powered hub is plug-and-play and hot-swap compatible, so you can install it quickly, with no additional drivers or software required. You can also avoid the nuisance and cost of purchasing new devices by using the USB 3.0 hub with your current USB 2.0 and 1.x devices.

The ST43004UA is backed by a StarTech.com 2-year warranty and free lifetime technical support.

### Applications

- Connect a wide variety of peripherals at home or in the office, all from a single USB 3.0 connection
- Carry the hub with you while traveling, and connect virtually any USB peripheral wherever you go
- Deploy in hot-desk environments to provide USB hub access for multiple devices

### Features

- Sleek and stylish, with a silver, sandblasted finish that matches your MacBook
- Rugged, aluminum housing delivers reliable performance
- Travel friendly, with a portable, lightweight design and a built-in cable
- Four SuperSpeed USB 3.0 hub ports, with throughput support up to 5Gbps
- Carry the USB-powered hub with you anywhere
- Backward compatibility lets you save money and use with existing USB 2.0 and 1.x devices
- Plug-and-play and hot-swap compatible
- Provides overcurrent protection
