## DS-920dw

At just over 12" long and weighing just over 1 lb., the DS-920DW is perfect for the mobile professional on-the-go who needs a powerful wireless-enabled scanner that will slide right into a briefcase or business bag. It's ideal for capturing two-sided business documents, as well as receipts, business cards, laminated identification cards, invoices, photographs and more. Its small size, rechargeable Li-Ion battery, USB power options and comprehensive suite of scanning software make it a great fit for home offices and desks with limited space, too!
