Overview:

Aluratek's Digital Photo Frames are a wonderful way to bring your treasured photos and memories to life with incredible image clarity in rich and vibrant colors all on the TFT true color LCD at 800 x 600 resolution at an ideal 4:3 aspect ratio. The functional and stylish frame makes a great addition to any room of your house or office environment. With automatic slideshow, memory card reader and USB support, it is easy to share all your favorite photos.

What separates Aluratek digital photo frames from other brands is picture quality, ease of use, and affordability. You will not find a better quality image or video than what an Aluratek digital frame can deliver thanks to the best quality "true digital" LCD panels that are available on the market for production. Combined with an easy-to-use interface, wide format support, auto on motion sensor and the simplicity of automatic playback, Aluratek digital photo frames are the best choice for storage and sharing of your precious memories with family, friends, and coworkers.

Features:

- View hi-quality digital photos on the 7" TFT true color LCD at 800 x 600 resolution (4:3 aspect ratio)
- High quality frame with easy to use controls
- Photo slideshow mode will begin automatically once the frame is powered on
- Configure photo slideshows to play in various display and transition modes
- Supports various photo formats
- Supports SD / SDHC memory cards (up to 32 GB)
- Connect a USB hard drive (power adapter required), USB flash drive or SD card to easily access and share your favorite photos
- Frame adjustable for vertical orientation
- Wall mountable - works great as a digital signage solution
- Compact remote is included for ease of operation and control
- Limited 1 Year Warranty

Auto Slideshow Support

Photo slideshow mode will begin automatically once the frame is powered on. Slideshows can be configured to play photos in various display and transition modes. Photos will be automatically resized to fit the LCD screen perfectly in a 4:3 aspect ratio.

Easy Photo Viewing

View pictures easily on the TFT true color LCD panel at amazing resolutions. Play videos and music through the frame's integrated stereo speakers. With 4GB of built-in storage, memory card reader and USB support, it is easy to transfer and store all your favorite digital media.

User Friendly Design

Push button controls on the back of the frame make Aluratek digital photo frames easy to use. The user interface is designed to be intuitive and easy to navigate with no required setup and no software to install.
