

# Mio Spirit 687

The ultimate solution for your on-the-go lifestyle.

**T**he new Mio Spirit 687 is the latest in state-of-the-art in-car navigation technology. Featuring advanced IQ Routes™, innovative Voice Entry and integrated Google Local Search, the Spirit 687 is not only a navigation device that takes you from A to B, but a powerful tool that offers you everything you'll need while driving and on foot.

Its great features allow you to drive with confidence while providing a less stressful driving experience. New Voice Entry allows you to enter address by speaking into the device, or to answer incoming phone calls, without taking your hands off the wheel. Get the best choice of routes before you hit the road with the new Choice of Routes feature you can now preview four different routes on your screen - fastest, shortest, easiest and most economical - instead of just one. Choose the route that best suits your needs at that time.

The Spirit 687 will always find better routes to your destination. IQ Routes™ uses real-life information collected from millions of drivers to optimize the route that is calculated: giving you the optimal way, any time of day. The enhanced LearnMe Pro™ monitors and learns your driving style providing you with personalised routes that suit your preferences. Real-time traffic information alerts you to delays on the roads ahead, saving you valuable time by avoiding hold-ups and congestion.

Go beyond navigation with features that help you get more out of your GPS. The integrated AV-in port makes it possible to connect a rear-view camera, which transmits video of the rear view while you reverse the car to prevent possible accident or collision.

To complete the package, the Spirit 687 comes with MioMore™ Services, providing you with latest weather forecasts and Google® Local Search for find exactly what you want, whenever and wherever.
