LED

Volume up button

Multi-function button

Microphone

Voice button

Volume down button

FitClip (optional wearing style)

2.1 Included accessories
EarGels   EarWings   EarHook

Micro-USB cable

3. How to wear

3.1 Changing eargels

For the optimal audio experience, try each of the different EarGel sizes. The fit should feel tight and secure in your ear.

Large   Medium   Small

## 3.2 Changing EarWings or EarHook

For the most secure fit during your workout, try each of the different EarWing styles, or the EarHook.

3.3 Using the Fltclip

Attach the FitClip to the cable, and adjust for optimal fit.

Regular FitClip style

Optimal FitClip style
Simple FitClip style

4. How to charge

Pull open the charging cover to expose the USB charging port. Plug any USB cable or charger into the USB charging port and connect to power to begin charging.
It takes approx. 2 hours to fully charge the battery. To protect against water damage, ensure the charging cover is firmly in place before use.

5. How to connect

1. Turn on Bluetooth on your mobile phone.

2. Press and hold the **Multi-function** button until the LED on the right earbud flashes blue. Release the button.

3. Follow the voice-guided connection instructions to connect to your mobile phone.
6. Jabra Assist app

The Jabra Assist app is a free app for iOS and Android devices that offers:

- Setup guidance.
- A battery meter - track your exact battery usage and receive suggestions for when to charge. (Android only).
- Message read-out - have your calendar notifications, emails, text messages and social media messages read out for you. (Android only).

8. Support

8.1 FAQ

View the FAQs on Jabra.com/halofree

8.2 How to care for your Jabra Halo Free

- Always store the headphones with the power off and safely protected.
- Avoid storage at extreme temperatures (above 85°C/185°F or below -20°C/-4°F). This can shorten battery life and may affect the headphones.
