ABOUT

ZeNeo combines the best of both worlds. The power of a full-featured smartwatch, together with the sleek and comfortable design of an activity tracker. Equipped with a built-in microphone and speaker, ZeNeo allows you to make calls and voice commands straight from your wrist. Once seamlessly connected to a smartphone, ZeNeo displays the information that matters to you on its color touchscreen: SMS, WhatsApp, social media notifications, calendar events and reminders. Featuring an optical HR sensor and a 3-axis accelerometer, ZeNeo tracks your daily activity so you can follow your performance level in real time. With its lightweight design, 16mm interchangeable wristband and colorful watch faces, ZeNeo can easily be worn on any occasion. Compatible with select iOS 9+ and Android 6.0+ devices, ZeNeo works with MyKronoz mobile app.

ZeNeo

KEY FEATURES

BUILT-IN MICROPHONE & SPEAKER

Featuring a microphone and a powerful speaker, ZeNeo allows you to make or receive calls straight from your wrist but not only. Make voice commands once connected to your smartphone, using Siri or Google now.

OPTICAL HR MONITOR

ZeNeo monitors your heart rate throughout the day, so you can track your performance and health records anytime from your wrist and the MyKronoz App. It also detects and alerts you of unusual high or low heart rates.

HIGH RESOLUTION TOUCHSCREEN

Boasting a high-res color touchscreen, ZeNeo displays all relevant information such as activity level, smartphone notifications, calls, calendar events and reminders in the most efficient and visible way.

PREMIUM FINISHING

Crafted with premium material to ensure elegance and robustness, ZeNeo is the perfect companion for your smartphone helping you enjoying your connected life in style.

WIRELESS SYNCING

Sync data wirelessly via Bluetooth®

SYSTEM REQUIREMENTS

Compatible with iPhone 4s and newer running iOS 9+, select Android 6.0+ and newer devices
