

Countertop Tablet Stand for SecureBack — Black

K67833AM

Product Description

Restaurants, hotels, and other businesses are discovering that the iPad® makes a great Point of Sale tool. But unfortunately, they're also discovering that securing that expensive iPad from thieves can be a real security challenge. The smart solution is the Kensington Countertop Tablet Stand for SecureBack™. It's the perfect way for businesses to secure an iPad without interfering with the user experience. The stand is sturdily constructed of solid metal and features a VESA mounting plate allows the SecureBack Enclosure (sold separately) to be mounted in landscape or portrait mode. It also pivots and swivels through a very wide range for easy user engagement. And using the included ClickSafe™ Security Anchor, it quickly and easily snaps to a ClickSafe Lock for an additional layer of protection.

Features

- Attached VESA mounting plate allows SecureBack M Series Enclosure to be mounted in portrait or landscape mode.
- Convenient opening aids in clean cable management
- Compatible with SecureBack M Series Modular Enclosures for iPad® 2/3/4 and iPad Air™ (sold separately)
- ClickSafe™ anchor makes adding ClickSafe lock for additional security fast and simple
- Built-in tabletop mounting holes
- TAA Compliant
