1 year limited warranty

Bluetooth technology... wireless freedom at its best

The ultra-lightweight and ergonomically designed KHS-629 earphones brilliantly combine the best fit with optimized acoustics. They feature a unique neckband with a magnet placed at the tip of each earbud housing, to snap them in place as you run or exercise—never fall out. The battery is integrated in the earphones housing, along with the microphone and controls, making it easy to change tracks or answer calls without stopping. The attractive finish, smart design and sleek profile of these earphones will make them the perfect companion for people always on the go.

Highlights

- Comfortable around-the-neck design with magnetic earbuds for easy portability
- Bluetooth® version 3.0 provides reliable performance up to 33ft away from the audio source
- On-board omnidirectional microphone
- The battery provides up to 6 hours of run time and 100 hours of standby time
- Full-on board controls for power, music and phone call management
- Ideal for running and outdoor activities
