

Kodak

Video Monitor CFH-V15

HD Wi-Fi video monitor with 2-way audio and
350° pan/tilt

FEATURES:

Connecting You to What Matters Most

We all lead busy lives these days and you know what they say...you can't be in two places at one time. Or can you? The CONNECTED FAMILY HOME System keeps you connected to the people, places and pets that you value most — no matter where you are in the world. The KODAK Video Monitor CFH-V15 lets you keep an eye on your home and valuables when you're not there or check in on your pet or loved ones with instant HD color streaming video and two-way audio to any smart phone or device. Whether you're at a friend's, at work, or on vacation, you can view what matters most to you within seconds. With smooth video and crisp digital audio, you'll feel like you're right there with them.

Easy, Innovative and Flexible

The KODAK Video Monitor CFH-V15 has the ability to pan 350° left and right and tilt 105° up and down. The CFH-V15 connects directly to your smart phone or device via Wi-Fi using your existing wireless network. The CFH-V15 is accessed and controlled remotely via the free iSecurity+ app for ANDROID and iOS operating systems. Alerts and events are automatically sent to your phone. Exclusive built-in smart software reduces false alarms so you only get the most relevant alerts. Automatic night mode is also a technical innovation delivering the finest night vision on the market today.

Ease of installation

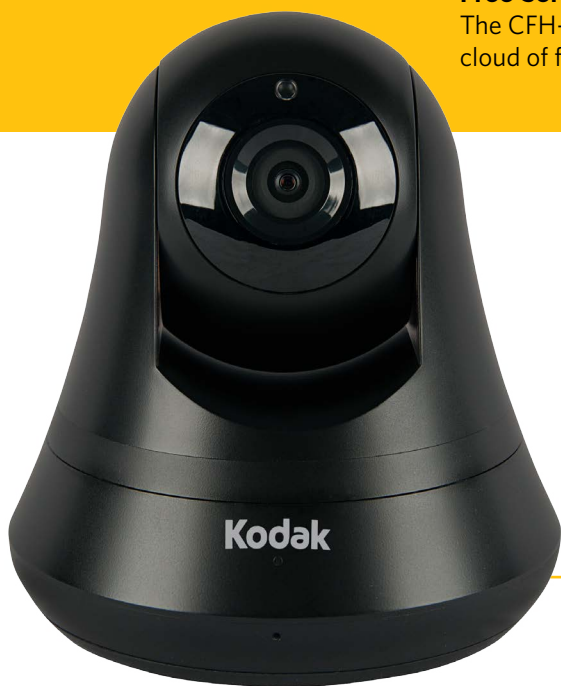

Forget hassling with installation CDs and complicated user manuals. All you have to do to get the CFH-V15 up and running is download the free iSecurity+ app to your mobile device. You don't even need a computer or laptop.

Technology and Innovation

Built-in Wi-Fi repeater extends your existing wireless home network. The state-of-the-art low lux CMOS imaging sensor with cutting edge IR filters offers exceptional daylight images with vibrant colors and unparalleled night vision performance. Two-way audio transmission is a standard feature and works with all APPLE iOS and ANDROID devices.

Free Service

The CFH-V15 comes with 1 day, lifetime event recording to the cloud of full motion video and audio.

Video Monitor CFH-V15
