The Slim-Line Paris Backpack

Superior SafetyCell™ Computer Protection

Multiple Interior Pockets for Organization

Removable Cosmetics/Accessory Pouch

Model#: MEBPW1-SL SRP: \$79.99

Designed for women by women, the Slimline Paris Backpack combines the best of today's fashion design and materials with the comfort, capacity and functionality that only a backpack can offer!

By ergonomically balancing the weight on both shoulders, better posture and freedom of movement are ensured. The Slimline Paris Backpack not only protects your posture but also protects your laptop with our exclusive padded SafetyCell™ Computer Compartment. Additional sections and pockets are designed for superior organization.

Be prepared for an abundance of compliments on this elegant, practical and durable notebook backpack - just for women!
