Your phone unfolded

Need more help?
Swipe up for **Apps**
AT&T folder > **Device Help**

Limited 5G E availability. May not be available in your area.

Your phone folded

Wake front display

Double tap the display or press the **Power** button.

Answer or reject a call

Tap the number or caller's name and swipe right to **Answer** or swipe left to **Reject** the call and send to voicemail.

Notifications

Swipe right to view notifications and tap to open.

Network status

Tap the time to display the network status.

Wireless PowerShare

Wirelessly charge compatible devices right from your device.

1. Drag the Status bar down to display the Notification panel.
2. Touch and drag  to access all Quick Settings options.
3. Tap **Wireless PowerShare** .
4. With your phone face down, place the compatible device on the back of your phone to charge.

Wireless PowerShare works with most Qi-Certified devices. Requires minimum 30% battery to share. Speed and power efficiency of charge varies by device. May not work with some accessories, covers, or other manufacturer's devices. If you have trouble connecting or charging is slow, remove any cover from each device. May affect call reception or data services, depending on your network environment.

Take brilliant shots

From the **Camera** app, in **Camera modes**, tap **MORE** to open the following features and more.

AR Zone

Create and customize an animated emoji that looks like you.

Night mode

Tap to capture photos in very low lighting conditions.

Ultra-wide

Ultra-wide fits everyone and the scenery in the photo.

From the viewfinder, tap  and then tap  to capture.

Manage camera settings

1. **Tool Panel:** Customize camera settings.
2. **Zoom:** Tap to select a zoom option.
3. **Camera modes:** Change shooting modes.
4. **MORE:** Tap to launch additional features and options like AR ZONE, BIXBY VISION and more.

See more with AT&T Video Call

One-touch video calling built into your smartphone, no app to download, no separate account to configure, and no password to enter.

- Simply tap **Video Call**  on the dialer or in your contacts.
- Switch between HD voice and video at any time during a call.
