## Black-and-white WiFi desktop laser printer for affordable, high-quality printing

The Ricoh SP 201Nw WiFi laser printer is compact, fast, affordable and easy to use. It connects seamlessly to a home or office network. With its small footprint and low profile, it can be positioned in the smallest of spaces and will produce immaculate black-and-white prints at a speed of 22 pages per minute. Productivity is optimised with print functions such as page order, multiple copies and collation; backed up by a high-capacity 150-sheet paper tray. A low capital cost and a maintenance-free all-in-one cartridge ensure affordable printing. Environmentally responsible features include quick warm-up, very low energy consumption, manual duplex and sleep mode.

- Fast, high-quality print output with manual duplex
- Easy WiFi connection
- Space-saving, stylish design
- Reliable, quiet operation
- 22 ppm / 1,200 x 600 dpi printing

# Technical specifications SP 201Nw
