## Blazing audio to inspire your senses

The KHS-659 is an exciting addition to the Klip Xtreme collection of trendy headphones with Bluetooth® wireless technology. Innovative and versatile, they deliver crisp and natural sound from various audio sources without the weight. They come with fully integrated controls to easily manage your entertainment and phone calls. Designed with sophistication in mind, the headphones feature LED lights that synchronize to your music, creating a vibrant experience in a contemporary looking audio device.

## Highlights

- Bluetooth platform, compatible with most mobile devices
- Multicolor LED light effects on earcups
- Up to 7 hours of normal operation and approximately 30 hours of stand-by time
- Lightweight and comfortable on-ear fit
- Fully integrated controls to easily manage your entertainment and phone calls
- Built-in omnidirectional microphone
- Folding design for compact mobility
- Micro-USB port to recharge the battery
