

## Datasheet

# HP Engage One Pro Magnetic Stripe Reader

Maintain a streamlined checkout space with the integrated magnetic stripe reader for the HP Engage One Pro. This intuitive, secure, and easy to use reader supports a range of card types for maximum versatility.

### **Integrated, space-saving design**

Eliminate checkout area clutter with our space-saving design. The reader cleanly integrates into the top right side of the HP Engage One Pro for a sleek and functional solution.

### **A one-stop card reading solution**

Read a multitude of unique card types all from a single unit. Accepts chipped or chipless credit and debit cards, employee IDs, drivers' licenses, loyalty cards, and gift cards.

### **Ultra-secure encryption**

Enjoy worry-free transactions and help keep customer data protected. Support for Remote Key Injection delivers a faster and more secure alternative to older encryption methods.<sup>1</sup>

### **Intuitive user experience**

Swipe cards in either direction for easy reading, while receiving audio and visual indicators to know when the card has been read successfully.

### **Get it when you need it**

Choose to have the magnetic stripe reader included when you purchase your HP Engage One Pro, or add it on later as you need the upgrade.<sup>1</sup>

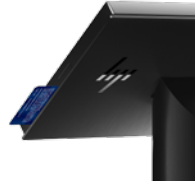

### **Your choice of OS**

Enjoy support for your retail operating system of choice. The HP Engage One Pro magnetic stripe reader supports Windows 10, Windows 10 IoT, Linux®, and Android-based systems.

### **Supported by HP**

Rest easy that your IT investment is supported by a three year standard limited warranty.<sup>2</sup>
