HP Engage Heavy Duty Cash Drawer with Random Locks

Model

HP Engage Heavy Duty Cash Drawer with Random Locks

8QX99AA

Introduction

Designed around a full-sized till, the HP Engage Heavy Duty Cash Drawer with Random Locks has a narrow footprint, minimizing the amount of counter space required in your retail environment. There is ample storage in a deep under-till compartment to hold coin rolls and packaged bills. An adjustable media slot divider separates and organizes different sections for bills and various coin denominations.

Key Features and Benefits

- Robust construction designed to withstand the wear and tear of demanding retail and hospitality environments
 - Space-saving design to maximize counter space
 - Several localized till selections available for retailers
 - Four-function lock offering several levels of security: locked closed, locked open, online and manual open
 - Offers organizational options with the coin roll storage beneath the till and configurable media compartment that easily snaps in and out of place.
-

Compatibility

The HP Engage Heavy Duty Cash Drawer with Random Locks is compatible with the HP Point of Sale Systems and HP POS printers.

NOTE: Not all HP Point of Sale System models or HP POS Printer models are available in all regions. Check with your HP Partner or Sales Representative for more information.

Third party printer models may require a 3rd party interface cable to operate with the HP Engage Heavy Duty Cash Drawer with Random Locks.
