

## SafeDome™ Cable Lock for iMac®

K64962EUA

### Product Description

From the leader in physical security solutions for computers, the SafeDome™ Cable Lock delivers with a design that provides the highest level of anti-theft security for public or multi-user settings like a school, library or lab while also complementing the iMac's beautiful aesthetics.

### Features

- Heavy-duty ClickSafe® lock secures with just one click to provide the highest level of security
- Beautiful, sleek dome design securely attaches to iMac's stand
- Ultra cable is extra thick to provide the highest level of cut resistance
- Easy to position and assemble the lock
- Built-in cable management secures wired iMac accessories
- Won't interfere with iMac adjustability
- Compatible with iMac models from 2010 and later
- Compatible with 2010, 2011 & 2013 iMac models
