SUMMARY

Hoover Prodigé single ovens range in size from 73-78 litres and offer up to an additional 45% more space than a traditional Multi-function oven but within the standard dimensions. The Prodigé oven can be used as one large cooking zone with five shelf positions and is capable of handling up to five different recipes at any one time. The Wi-Fi cooking app allows you to set the cooking function, temperature, duration and end time from any room in the house or when you are out.
