

## DAB+ Radio | 4,5 W | FM | Clock & Alarm Function | Black

### General information

This Nedis® DAB+ / FM radio covers all the pros of digital radio, such as interference-free audio quality, a very large number of available channels and easy navigating through a names list to find certain stations.

The radio has room for 20 preset stations so store your favourite ones straight away.

This table radio combines a stylish wooden-look housing and a sleek-design front panel, blending into every interior. It has a built-in battery for music on the move. The AUX input and the integrated alarm clock make it a multifunctional radio which is compact enough to easily move around.

If the built-in battery is running low, you can power the radio with the USB cable (adapter not included) for non-stop listening pleasure.
