

KeyFolio Executive™ - Zipper Folio with Keyboard for iPad Air™ 2 & iPad Air™

K97009UK

Product Description

Want to be more productive? Get more organized with the all-in-one Kensington KeyFolio Executive. Constructed of premium fabricated sheepskin, the KeyFolio Executive delivers a unique combination of rich feel and long-lasting durability wrapped in an executive folio with space for everything you need to take productivity on the road.

With a unique microsuction inner shell, the KeyFolio Executive delivers a secure attachment to your iPad Air without adhesives or residue. And your iPad can be easily removed or reattached countless times without reducing the security of the attachment. There's even an ultra-soft interior to protect your iPad screen from scratches.

The KeyFolio Pro's magnetic construction enables multiple viewing angles. Simply remove the keyboard and enjoy infinite viewing options to suit your needs. Plus the thin and stable keyboard works well on your lap for productivity your way.

And for uncompromised typing, you'll find a high-performance removable laptop-style keyboard. Built from the ground up, this keyboard offers six rows of island-style, raised tactile keys to make typing a breeze. There are even shortcut keys to help you do more with fewer keystrokes.

The Bluetooth keyboard pairs instantly with your iPad Air and it can be paired with multiple devices, too, for added utility at home. Sometimes you only need your iPad and a protective cover. The KeyFolio Executive has a removable folio that lets you slim down to just the essentials.

Just because you work on an iPad doesn't mean you don't use paper. The KeyFolio Executive includes space for everything you need including a pad of paper, pens, business cards and more. Don't need the card holder today? You can remove that too. And when you're ready to go, simply zip up the KeyFolio for protection and organization that's all business.
