HOW IT WORKS!

Pearl White

Ruby Red

Sapphire Blue

Mini Print app¹

"ICMPP1"

Take and print photos while getting creative with the free IVY app to add filters, effects, and fun!

The Perfect Addition

The Canon "ICMPP1" is the small and fun Instant Camera and Mini Photo Printer that can fit in your pocket so you can take it anywhere! The "ICMPP1" features a large 2" Selfie Mirror with an 8 LED ring light for great looking selfies! Easily connect your smartphone to the Canon Mini Print app via Bluetooth¹ and take a photo with your smartphone's camera or choose one of your own photos. Even use fun AR filters and add effects, frames, text, and stickers to your 2"x3" photos with a peel & stick back!

"ICMPP1" Features

Instant 8 MP photos

Large 2" selfie mirror to get the perfect shot

MicroSD card slot²

Remote shutter via the Mini Print app¹

Print fun 2"x3" photos

8 LED ring light - for the perfect selfies

Get creative with Tile Print¹

All photos have a peel & stick back

Reprint button on camera

Print portrait or landscape photos

What is ZINK™ and how does it work?

ZINK™ stands for "ZERO INK" printing technology. Instead of ink, it uses colorful dye-based crystals embedded inside the paper. Before printing, the embedded dye crystals are clear so ZINK™ Paper looks like regular, white photo paper. The ZINK-enabled device uses heat to activate and colorize these crystals.
