

CyberPower

TR12U3A USB CHARGER

Charge mobile devices, electronics,
and other equipment

The CyberPower TR12U3A Dual USB Wall Charger, with 2 USB ports at 3.1 Amps of shared power, quickly charges and powers your mobile devices by plugging into a standard AC outlet. The folding AC plug and a compact design ensure easy portability and convenient use in your home and other locations. The 3.1 Amp USB ports power a smartphone, tablet, MP3 player, digital camera and many other USB powered devices. The TR12U3A is backed by a one-year limited warranty.
