Simply brilliant

Capture what catches your eye

Easy Printer Manager

Universal Print Driver

Lessen your wait, not your expectations

Geared to give more print flexibility, the ML-2540 offers a range of features to make you more productive. These include a Print Screen function, so you can print what you see on your screen at the touch of a button.

From the monitor to the page with just One Touch

The ML-2540 Print Screen button – conveniently located on the printer control panel – lets you print the contents from your screen, quickly and easily, even when you're away from your desk. Just one touch is all that it takes. With one click, there's no more extra editing or cropping of unwanted content-clutter from original webpages or documents. If a single page is what you want, it's what you'll get. One simple press of a button prints your screen, as it appears on your monitor. Hold the button for more than two seconds and the ML-2540 prints the last object that you activated on your monitor. Now you can print anything, anytime

Capture what catches your eye

Samsung's AnyWeb Print software lets you go hunting and gathering on the Web. You can utilize the ML-2540 to easily select, drag and drop content from different web pages onto a printable scrap board in your browser window, all while you surf. It's the easy way to collect, arrange and edit those useful reference points and resources you can only find on the Internet for that big

Lessen your wait, not your expectations

Quit losing productivity waiting around for your documents to print? the Samsung ML-2540 fast print speeds of up to 24 ppm will have you back to work in no time. The ML-2540 features a first page output time (FPOT) of just 9 seconds and an impressive 1200 x 1200 dpi print resolution, satisfying both your need for speed and your demand for quality.

project ? or just for fun.

Streamlined design

Cartridge options for your budget needs

Samsung ML-2540 printers also offer a choice of consumables to meet your cashflow needs. High yield toner cartridges, which are ideal for heavy users, last longer and give you lower costs per page. Optionally, low yield toner cartridges have the advantage of lower initial outlay.

Dust Cover Alongside adding to the sleek, streamlined look, the dust cover also helps to reduce the noise levels when printing, ensuring a tranquil office environment. Built-in Practical and stylish, the built-in cassette tray provides a compact finish and ensures the paper is kept dust free and clean; ensuring reliable, professional prints every time. Sleek The smooth surface softly wraps around the device to create a mono laser printer that brings a touch of style to any business environment.

Easy Printer Manager

Run a smooth print operation with Samsung's Easy Print Manager. Every detail, from toner levels and job accounting to device settings and online ordering, is channeled into one easy-to-use programme.

Universal Print Driver

Save time and money with Samsung's Universal Print Driver. One print driver, which handles all of your Samsung printers, eliminates unnecessary installations and integrates your print operation.
