

## Fastpack Series

### Fastpack BP 250 AW II, BP 150 AW II

## Fast-paced. Travel-ready.

When you need to carry it all for a business or pleasure trip, rely on the Fastpack from LowePro. It's been trusted to travel for years. The next-generation pack design includes enhanced protection with a built-in All Weather AW Cover™ and CradleFit™ device compartment, plus three, primary storage zones to help keep you organized and ready for the fast pace of modern travel.

- Easily access and pack gear via the **camera zone**. It features a customizable interior and two access modes: quick-reach side entry and full-access gear compartment.
- Use **device zone** to store and protect essential tools. A side-access compartment provides separate, padded space for a laptop, plus CradleFit™ tablet pocket.
- Stash quick-grab items such as headphones, portable hard drive, smartphones, etc. in the **open zone**.
- **Ready-for-travel** features provide **lots of versatility**: built in All Weather AW Cover™, trolley straps, removable, padded waistbelt.

Materials: 600D nylon, 600D ripstop, 1680D ballistic base
