Epson **AcuLaser CX37DN Series**

Model shown is the CX37DTNF

The Epson AcuLaser CX37DN series allows medium-to-large workgroups to print in A4 duplex, plus copy and scan in colour and mono, with fax available on the CX37DNF and CX37DTNF models. The series also features an automatic document feeder as standard, while an optional additional paper tray allows workgroups to further improve productivity and save time by quickly and easily increasing paper capacity.
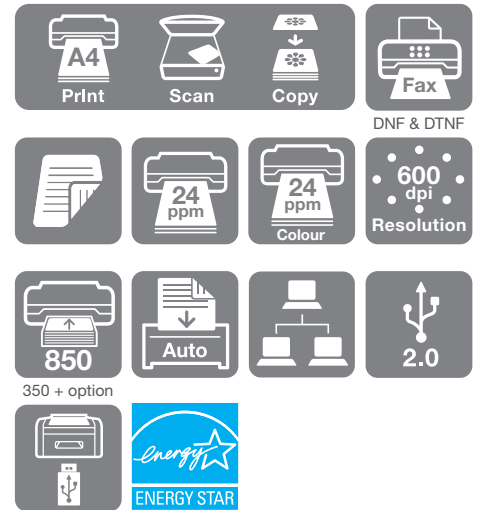

The series offers one of the best sets of specifications found in a multifunction colour laser catering for medium-to-large workgroups. It delivers outstanding cost per page, combined with a low initial investment. With regards to reliability, it is one of the best in its class and the series is so compact it can fit into any business environment.

The high-performance associated with the AcuLaser CX37DN means users benefit from a fast print and copy speed of up to 24ppm, as well as a high monthly duty cycle of up to 120,000 pages, while professional-quality printing is easily achieved with AcuBrite toner technology.

Featuring PCL6 and PS3 emulations, IPv6 and 802.1x support, plus gigabit Ethernet connectivity, the AcuLaser CX37DN series is designed to fit into complex IT environments. IT managers can further increase the series' performance by adding optional HDD and memory devices.

Affordable hardware, combined with long-lasting toner supplies that allow users to optimise cost per page, means total cost of ownership is extremely low. Furthermore, they are ENERGY STAR-qualified for reduced power consumption and environmental impact, so there is no compromise between cost and ecology.

KEY FEATURES

- High-performance, colour laser series with A4 printer, scanner and copier
- Compact design for medium-to-large workgroups
- High durability with a monthly duty cycle of up to 120,000 pages
- Efficient print speed of up to 24ppm in A4
- Automatic document feeder

Clear and accessible controls make the AcuLaser CX37DN series easy to use

WHAT'S IN THE BOX

- Printer
- Power cable
- Software CD
- Instruction and notice sheets
- Warranty sheet
- Initial toner cartridges

SUPPLIES

- Black Toner Cartridge
  (6.000 pages*)
- Double Pack Black Toner Cartridge
  (2 x 6,000 pages*)
- Cyan Toner Cartridge
  (6,000 pages*)
- Magenta Toner Cartridge
  (6,000 pages*)
- Yellow Toner Cartridge
  (6,000 pages*)
- Black Photoconductor Unit
  (30,000 pages**)
- Cyan Photoconductor Unit
  (30,000 pages*)
- Magenta Photoconductor Unit
  (30,000 pages**)
- Yellow Photoconductor Unit
  (30,000 pages**)
- Waste Toner Bottle
  (9,000 CMY, 36,000 K pages)

- Initial Toner Cartridge   (2,000 pages*)

*   ISO/IEC19798 and ISO/IEC24712 yield test reports.
** Life of drum cartridge is defined based on continuous printing. It varies depending on print conditions.

OPTIONAL ACCESSORIES

- 500-sheet paper tray
- Hard Disk Drive
- Memory device
