Mio
Moov M300

Powerful navigation. Small wonder.

Also available… **Moov M300** Europe with European maps.

Want it now? Find it now. Local Search is Mio's incredibly useful search tool, available across the Moov range. Connect the Moov M300 to a PC and a wide range of location details are available to view instantly via MioMore™ desktop, from local restaurants, hotels and shops to a wide range of businesses and services.

The Moov M300 is equipped with new SiRFInstantFixII GPS for a faster GPS connection and its crisp, flat 3.5-inch screen features an intelligent Day/Night display. Spoken motorway exit instructions and lane guidance help navigate busy motorway junctions, working seamlessly with the easy to read maps and pre-loaded safety camera alert data. Slim and lightweight, the Moov M300 is for anyone who wants safe, powerful navigation at an affordable price.

Also available is the **Moov M300** Europe, enjoy all the benefits above and pre-loaded map data for 23 Western European countries.
