

fitbit flyer™

WIRELESS FITNESS HEADPHONES

Hear what moves you with Fitbit Flyer—wireless fitness headphones that pack powerful audio into a comfortable, sweatproof & secure design.

BUILT FOR FITNESS

Tackle even the toughest workouts with a design that's durable and sweatproof.

SECURE, PERSONALIZED FIT

Optimize comfort, security and sound with interchangeable ear tips, wings and fins.

SWEATPROOF

Hydrophobic nano coating keeps Flyer rain, splash and sweatproof. Rated IP67.

PREMIUM WIRELESS SOUND

Precision engineered for crisp audio, powerful bass and dynamic range and enhanced by Waves sound technologies.

LONG BATTERY LIFE

Get up to 6 hours playtime, plus get an extra hour with the 15-minute quick charge feature.

MULTI-DEVICE CONNECTIVITY

Simultaneously connect to two devices at once using Bluetooth 4.2.

MUSIC & CALL CONTROLS

Adjust sound, pause or change songs and control calls with the streamlined 3-button control box.

DUAL MICROPHONE

Get high-quality, hands-free calls in any environment with a dual microphone that suppresses external noise.

2 SOUND SETTINGS

Use the Signature sound setting or amplify bass with Power Boost enhanced by Waves sound technologies.

WORKS WITH IONIC

Seamlessly connect to Fitbit Ionic and other Bluetooth devices for hands-free, phone-free music & more.

Designed with **fitness** in mind.

Find the freedom and motivation you want with durability you need to take on tough workouts. Plus, seamlessly connect to the Fitbit Ionic smartwatch to take your exercise experience up a notch.

Stay motivated with **high-quality sound**.

Precision engineered for crisp audio, powerful bass and dynamic range, Flyer delivers sound that's optimized for workouts and all day.

Customizable fit for sound & security.

Mix and match the interchangeable ear tips, wings and fins to find a fit that delivers optimal comfort, security and sound quality.
