The classic styling and rich herringbone fabric give these cases an attractive, sophisticated look and feel. Available in two sizes, the case features a padded laptop pocket, a soft fur-lined iPad/tablet pocket, two storage sections, a separate accordion file section plus a zip-down workstation for your travel accessories.

The Herringbone Tote is highlighted by black trim with contrast stitching and polished nickel fittings. Our signature shoulder straps are flattened where they rest on your shoulder which make a loaded bag much more comfortable to carry. The full-length rear pocket and a trolley strap provide ease of use when traveling. A matching clutch is ideal for miscellaneous accessories or cosmetics. When you combine the great styling, laptop and tablet protection, storage and organization features and user comfort, the Classic Herringbone Tote may be the perfect case for today's woman on the go!
