

Kensington® SmartFit® Mouse Pad and Ergonomic Wrist Rest

K55793AM

Product Description

From the trusted industry leader with 20 years of experience designing ergonomic devices, the SmartFit® Mouse Pad not only provides a comfortable gel support, it also enables you to customize and adjust the height of the rest so your wrist is at a neutral angle. So whether you're typing a report, managing complex spreadsheets, or creating an engaging presentation, don't let wrist pain from the extended hours in your home office interrupt your productivity. Rest your wrist on a soft, cushioned surface while you click and scroll, alleviating discomfort by properly positioning your hand and wrist.

Features

- SmartFit System lets you measure, adjust and fit the mouse pad to find your ideal comfort color setting
- Height adjustable inserts are set to your color and help set your wrist at the correct angle for comfortable clicking and scrolling
- Gel wrist pad provides a cool, comfortable surface that conforms to your wrist and relieves pressure points
- Anti-microbial surface resists stains and odors for a worry-free experience
- Non-skid base provides stability and keeps the wrist rest firmly in place
