

Windows®. Life without Walls™. Samsung recommends Windows 7.

the Samsung U200

Get in Touch with your Digital World

The Samsung U200 All-in-One PC

Communicate like never before with the brand new, ultra slim, all-in-one desktop PC from Samsung. Featuring advanced touch screen technology, HD ready screen and powerful Intel® processing power, bring your digital world together in an easy to use and intuitive way. With an ultra slim, glossy photo frame style design, the U200 will integrate seamlessly into family life.

Multi-Touch Display

What could be easier than pointing your finger? With the U200's 20" HD touch screen display you can enjoy an intuitive user experience in which applications can be easily operated by touch. The Multi Touch software lets you create your own desktop, move to another screen, and add or delete media simply using your finger.

Simple and Modern Design

With a slim, rounded, glossy photo frame style design, the Samsung U200 All-in-One PC will fit anywhere within the home. Unlike conventional desktop PC's and monitors the Samsung U200 All-in-One PC consumes less power because the PC and monitor are interlocked.

Unique family experience

Using the U200's 1.3MP Web Camera, Multi Touch Software and Windows 7 Home Premium, the entire family will find it easy to organise, create and be innovative.

Advanced Connectivity

Regardless whether the PC is sleeping, on or off, our **Chargeable USB** (x1) port allows you to charge mobile devices.

The combo port (x1) supports both eSATA and USB 2.0. With an external HDD which supports eSATA you can read, write or transfer data of up to 2.4 Gb per second.

U200 Specifications
