

Philips PowerPro Aqua
Stick vacuum cleaner

18 V LI-Ion battery

FC6402/01

Vacuums and mops in one stroke

Always at hand to quickly clean daily messes

The new Philips PowerPro Aqua is a powerful cordless vacuum cleaner which does wet cleaning too. It combines vacuuming and mopping to quickly clean daily messes. Easy click on/off mopping system to vacuum only, or vacuum and mop in one go!

Cleans everyday messes with vacuum and mop

- PowerCyclone technology for high vacuum cleaning performance
- New mopping system with optimal wetness for all hard floors
- TriActive Turbo nozzle for powerful performance on carpets
- 3 layer filter German technology captures micro particales*

Always at hand and convenient for daily usage

- Cordless cleaning: freedom to clean everywhere
- Powerful 18 V Lithium Ion battery for long runtime
- Bagless: One-step empty dust bucket
- Instant click on/off mopping system to do wet cleaning
- High maneuverability and light weight for easy handling
- Suitable to use on all floors
- Washable foam filter for life-long performance

PHILIPS

Stick vacuum cleaner
18 V Li-Ion battery

FC6402/01

Highlights

PowerCyclone technology

The PowerCyclone technology delivers powerful vacuum cleaning performance in one go. Air enters rapidly into the PowerCyclone and is accelerated further through the curved air pass to effectively separate dust from air.

Innovative mopping system

The unique mopping system controls the water release to maintain optimal wetness for all hard floors throughout the cleaning.

3 layer washable filter

3 layer washable filter German technology* to capture particles of even 0.3 micron. The washable foam filter ensures life-long performance to enhance extended usage.

Cordless cleaning

Without the cord, you are free to clean wherever you want on every type of floor.

Powerful Lithium Ion battery

Cordless cleaning with powerful 18 V Lithium Ion battery for 40 min run time. The cable is not a barrier anymore and you can easily clean different rooms without hassle.

One-step empty dust bucket

The new bagless PowerPro Aqua vacuum cleaner dispose dust from the dust bucket without touching the dirt.

Click on/off mopping system

With the magnets on both sides, the mopping system is easily clicked on and off to the nozzle.

Light and maneuverable

High maneuverability and light weight are ensured with the new PowerPro Aqua vacuum cleaner for easy handling

Suitable to use on all floors

Vacuum all hard floors and carpets. Click on the water tank to mop all types of hard floors.

Washable foam filter

Washable foam filters for life-long performance to enhance extended usage.

TriActive Turbo nozzle

The TriActive Turbo nozzle delivers powerful performance on hard floors and carpets. The motorized brush and the optimized airflow pick up all dirt and fluff in one go.
