Achieve versatile, powerful MFP performance for a more productive printing environment. Print and copy at high speeds, use image preview to process jobs from the HP Easy Select pivoting color control panel and get robust paper handling up to 2100 sheets. Expand the functionality of imaging and printing devices with market-leading management and extensibility. This ENERGY STAR® qualified MFP can help save on energy and paper, and advanced security features can help protect sensitive data.

Productive, dependable performance
• Stay productive with high performance speeds—print and copy at up to 55 ppm.2
• Boost productivity—get up to 2100-sheet paper capacity for large printing jobs from this workhorse MFP.1
• Preview jobs using the pivoting color control panel and use image preview to make adjustments to scan jobs.
• Save time with easy installation, and get exceptional value from optional high-capacity print cartridges.3

Market-leading manageability and extensibility
• Proactively manage printing environments and get easy setup and configuration with HP management tools.
• Extend the capabilities of workgroup print environments with a rich portfolio of easy-to-integrate solutions.
• Easily update, manage and expand the capabilities of networked printers with HP FutureSmart Firmware.
• Make printing as mobile as you are with HP ePrint.

Advanced security for sensitive information
• Protect sensitive data stored on the HP MFP with the standard encrypted HP High-Performance Secure Hard Disk.
• Process jobs securely through user authentication, IPsec and IPv6.
• Create, print, scan and share sensitive business information securely via encrypted email and PDFs.
• Add optional authentication security solutions through the control panel’s hardware integration pocket.7

Outstanding energy- and paper-saving features
• Reduce energy use with Instant-on Technology and Instant-on Copy.5
• Conserve resources and save paper—use automatic two-sided printing and PIN printing.
• Original HP LaserJet print cartridges with energy-efficient toner enable an energy savings of over 18%.4
• Get free, easy cartridge recycling,6 plus reduce shipping materials with HP ClearView packaging.

1The 500-sheet feeder, 1 x 500 sheet feeder with cabinet and 3 x 500 sheet feeder with stand may be purchased separately for the HP LaserJet Enterprise M4555 MFP and the HP LaserJet Enterprise M4555h MFP. The 3 x 500 feeder with stand may be purchased separately for the HP LaserJet Enterprise M4555f MFP.4Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.1The HP LaserJet CE390X Black Print Cartridge not included; please purchase separately.5Energy savings based on comparing conventional toner and print system used in HP LaserJet M4345 MFP series with energy-efficient HP toner and print system used in HP LaserJet Enterprise M4555 MFP series. Testing per Energy Star Typical Electricity Consumption test. Actual savings may vary.6Compared with products that use traditional fusing and cold cathode fluorescent lamp (CCFL) copying.7Solutions deployed through the hardware integration pocket may require additional purchase.
1. Intuitive 8.07 in (20.5 cm) HP Easy Select pivoting touch screen color control panel
2. Walkup USB port
3. Hardware Integration Pocket for solution integration
4. Built-in automatic two-sided printing
5. Three 500-sheet input trays for a 1,100-sheet total input capacity
6. 50-sheet ADF scanner processes two-sided documents
   Plate-glass scanner handles documents up to legal size (216 x 356 mm)
7. Top cover release lever allows convenient access to the toner cartridge
8. 100-sheet multipurpose tray 1 handles heavy custom media up to 200 g/m² (53 lb bond)
9. Hi-Speed USB 2.0 port
10. Access port for optional Kensington-style lock
11. HP Jetdirect Gigabit Ethernet embedded print server
12. 1280 MB total memory and an 800 MHz processor quickly handle complex print jobs
13. Embedded HP Secure High Performance Hard Disk
14. One open EIO slot
15. RJ-11 fax port

Maximize uptime with a productive MFP. Print and copy at up to 55 ppm, and manage tasks from the HP Easy Select pivoting color control panel. Get paper capacity up to 2,100 sheets, plus great value with optional high-capacity cartridges.

Invest in an MFP that integrates into IT-managed print environments. Management tools monitor products and settings to control productivity and quality. Do more with the MFP—deploy HP and partner solutions via the hardware integration pocket.

Stay in control of sensitive data and information with impressive security features from this MFP. The HP High-Performance Secure Hard Disk helps keep stored data secure. Process print jobs securely, and easily create encrypted emails and PDFs.

Conserve resources and meet environmental goals with this ENERGY STAR® qualified MFP. Save paper with automatic two-sided printing. Original HP LaserJet print cartridges with energy-efficient toner enable over 18% energy-savings with every print.

Get the most out of your printer with HP accessories, supplies, and services.

### HP Services
Because downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs. Benefits include reduced printing and infrastructure costs, maximized uptime, expert technical phone support, and predictable, consistent service delivery— even across multiple locations.

**Recommended services:**
- **Same Day Onsite Service:** An HP technician or authorized service provider arrives at your site within four hours after the service call is received, if this time falls within the coverage window
- **Next Day Onsite Service:** Technician delivered onsite service the next business day after the service call is received.

These services and additional coverage options can be purchased as:
- **HP Care Pack Services:** easy-to-buy, easy-to-use support packages
- **HP Contractual Services:** a comprehensive portfolio for maintaining maximum IT availability
