Digital pro-class sound for every day

Quickly and easily collaborate, chat online or listen to personal media with the crystal-clear sound and noise cancelling features of the sleek, lightweight HP Stereo USB Headset, designed to complement your professional workspace^{1,2}.

Easy comfort and connectivity

Connect the headset to any USB port on your PC and control volume settings from the headset cable. Adjust the headband and rotate the microphone boom left or right or move out of the way entirely.

Compatible with the newest collaboration technologies

Work with what you know—the headset is designed for use with mainstream VoIP software and Skype for Business.²

World-class support

Get the reassurance of a one-year limited warranty.

¹ Listening to personal stereo equipment at full volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume.

² Internet connection and voice service required and sold separately.
