

CDE4200-L

42" Full HD 1080p Professional Display

Versatile Features Make It the Ideal Large Format Display

Overview

The ViewSonic CDE4200-L is the ideal display solution for business, hotel, and hospitality environments. It fits perfectly in most spaces, either mounted on a wall or placed on a surface. The 42-inch Full HD LED professional display features versatile input connectivity including 3x HDMI, VGA, Composite, and YPbPr. With a brightness of 350 nits, and a 3000:1 contrast ratio, this LED panel display delivers stunning brightness and contrast at a 6.5ms response time to ensure crisp pictures and smooth playback. Built-in 10W x 2 speakers and SPDIF digital audio output provide crystal-clear sound. The CDE4200-L makes informing, communicating and presenting clear and simple.

Features

- 42" full HD 1920x1080p resolution
- LED backlight technology
- Hospitality programmable display calibration
- USB cloning
- IR pass-through port

- Slim bezel and attractive design
- HDMI CEC control port
- 200x200 VESA wall mount

42" Full HD LED Large Format Display With Hospitality Calibration Features

The ViewSonic CDE4200-L LED large-format display is designed for use in business, hotel, and hospitality installations. In addition, the CDE4200-L includes USB cloning for easy duplication in multi-screen environments. Features also include automated control using RS232, HDMI CEC control, and IR pass through for easy connection to HD set-top-boxes, media players, and Blu-ray players. A programmable hospitality menu allows for custom calibration of features such as channel defaults, audio levels, and power up—making the CDE4200-L ideal for use as in-room hotel televisions.
