Short description

Intel® Core™ i3-3120M processor, Windows® 8, 1000 GB hard drive, 4 GB memory, Intel® HD graphics, Dolby® Advanced Audio v2, USB 3.0, Bluetooth 4.0 function, 39.6 cm/15.6" matte HD display

Long description

The MEDION® AKOYA® E6237 is your powerful mobile partner. Its high-performance Intel® Core™ i3-3120M processor delivers outstanding multimedia fun and plenty of computing power. It is supported by integrated graphic functions: experience the world of multimedia – realistic and up close. You can enjoy your films in brilliant HD quality on the non-reflective 39.6 cm/15.6" widescreen LED backlight display. The Dolby®* Advanced Audio V2-certified speakers open the way to a unique sound experience. Windows 8 is installed as the operating system – it is faster, more reliable and simplifies your daily tasks.

The WLAN n-standard technology provides a high-speed wireless connection to the World Wide Web. Thanks to the HD webcam and integrated microphone, you are ideally equipped for Internet communication. Transfer data at unprecedented speeds – thanks to state-of-the-art USB 3.0 technology. This well-equipped PC comes complete with DVD burner, 1000 GB hard drive and 4 GB memory: The MEDION® AKOYA® E6237 impresses not only with its slimline and lightweight design, the E6237 is also a first-class yet reasonably priced entry into the mobile world of entertainment.

MEDION AKOYA E6237 Laptop (MD98476)

Windows 8

Beautiful, fast, fluid

Windows 8 has been redeveloped to be all about you. Put what matters most right on your Start screen, and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing what really matters.

Intel® Core™ i3-3120M third-generation processor

(2.5 GHz, 3 MB Intel® Smart Cache, Intel® Hyper-Threading Technology)

The visibly intelligent third-generation Intel® Core™ i3 processor delivers outstanding performance and an unforgettable PC experience.

Matte 39.6 cm/15.6" widescreen LED backlight display

with an HD resolution of 1,366 x 768 pixels

Brilliant film fun in 16:9 cinema format with crystal-clear definition and rich colour reproduction

Living sound – high-definition audio with 2 loudspeakers,

Dolby® Advanced Audio V2-certified*

Dolby® Advanced Audio combines a number of technologies that have been developed for an impressive sound experience using any number of speakers or headphones. A new, more realistic way to experience films, music and games.

USB 3.0 – the data turbo**

Transfer data at unprecedented speeds – thanks to state-of-the-art USB 3.0 technology

MEDION® Solid Keyboard

Ergonomic keyboard with individually mounted keys and numeric keypad for greater stability and quick and easy input.

*Dolby and the double-D symbol are registered trademarks of Dolby Laboratories

**USB 3.0 connections are backwards compatible. To make use of the higher speed, you need peripherals that support USB 3.0. Otherwise, the standard data transfer rates for USB 2.0 will apply.
