

MH535FHD

Home Entertainment Projector

Shines Big and Bright in Your Living Room

Enjoy fun, big screen entertainment any time of the day or night. With the powerful BenQ MH535FHD you can watch your favorite Full HD 1080p movies, TV shows, and sports or play action packed video games on screens up to 120" in any room in the house. Your family and friends will be amazed by the magnificent picture quality. Home entertainment has never looked this good.

Ultra-high brightness, Full HD 1080p with 3 Year Warranty

At a brightness of 3600 lumens, the BenQ MH535FHD projector ensures brilliant color performance making it ideal for home entertainment such as movies and sports. Showcase Full-HD content in 1080p definition combined with a high contrast ratio of 15000:1, so you can enjoy Blu-ray, video and HD broadcasting in beautiful, high-contrast quality without downscaling or compression.

Setup and Connectivity made Easy

With an intuitive hassle-free operational interface for use and setup and convenient digital connectivity (2x HDMI ports among other universal ports), this projector brings excitement to any indoor or outdoor space. Your movies, sports and video and other home entertainment will never be the same.

Rely on BenQ for Accurate, Crisp and Long Lasting color

BenQ optimizes images for specific color balance effects for diverse applications for the home.

Every BenQ projector generates more than one billion colors by combining up to seven different colors to create vibrant, true to life images. You'll also experience dramatic contrasts for remarkable clarity, higher impact, and greater legibility.

BenQ's projectors are dependable year after year. You can rely on the colors to remain the same from day one to a decade later--without the risk of fading, ghosted images, or yellowing.

- Accurate. Over 1 billion colors adhering to industry standards such as Rec. 709.
- Crisp. Bright, high contrast picture - 3x more contrast than similar top-selling LCD models
- Long-Lasting. Consistent quality - image is the same now and years from now.
