

Organizing Monitor Stand

Raise your level of comfort and organization.

K58300WW

Product Description

With its adjustable height and built-in storage, the Organizing Monitor Stand raises your level of comfort and organization — right out of the box. Minimalist design helps improve posture and promote neck and eye comfort. Accommodates monitors up to 40 lbs. and stows a full-size keyboard underneath, while cubbies on each side provide ample storage for everyday office supplies. 24.4" W x 10.4" D x 3.3–4" H

Features

- Improves posture to promote neck and eye comfort.
- Removable non-skid feet let you change the monitor stand height from 3.3 to 4 inches. Feet conveniently store under base when not in use.
- Cubbies on each side provide ample storage for everyday office supplies, while a convenient slot can be used as a phone or tablet stand.
- Minimalist design accommodates monitors up to 40 lbs., and stows a full-size keyboard (up to 18.5" wide) underneath.
- Installation free, so you can use it right out of the box — no setup required.
- Built-in cable management helps keep desk clean and clutter free.
