

SMALL IN SIZE.
HUGE ON PRODUCTIVITY.

HP Color LaserJet CM3530 MFP series

WHAT DO YOU HAVE TO SAY?

Enjoy superb productivity, great colour quality, and fast print speeds in a compact, user-friendly design. The HP Color LaserJet CM3530 MFP series offers great performance and efficiency with print, copy, scan, digital send, and fax¹ capabilities in one space-saving device.

MFP performance in one compact device

Print, copy, scan, digital send, and fax¹ in one space-saving design

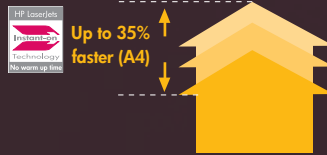

Enjoy fast print speeds of up to 30 ppm (A4) colour and black-and-white

Up to 30 ppm (A4)

Time To Completion of a typical office print job can be up to 35% (A4)/40% (Letter) faster with Instant-on technology²

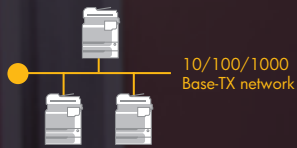

Powerful 515 MHz processor and 512 MB RAM standard memory, expandable to 1 GB

Enhanced networking and security

Streamline network management with embedded HP Jetdirect Gigabit Ethernet embedded print server

IPSec security feature provides robust authentication and encryption

Hardware Integrated Pocket in the control panel for secured card access and USB connection

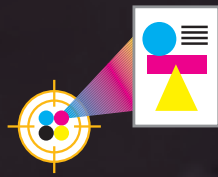

With quick colour and black-and-white print speeds, exceptional print quality, as well as workflow enhancing capabilities like other high-end devices, small work teams can now enjoy greater productivity and cost-efficiency right from the desktop.

Lower cost, higher efficiency

Control colour usage with HP Color Access Control

Use colour more efficiently with auto colour sensing

Reduce paper waste with automatic two-sided printing

Professional-quality output

Produce exceptional colour prints with HP ImageREt 3600 technology

Create sharp, precise images with the improved HP ColorSphere toner

ColorSphere
HP TONERS

Professional results every time.

Paper sizes
Up to
216 x 356 mm

Paper thickness
Up to
220 g/m²

Easy operation and management

Intuitive HP Easy Select touch-screen control panel

Powerful print management tools like HP Web Jetadmin, HP Embedded Web Server, and HP Easy Printer Care software

IT Administrator

Easy supply management with HP Smart printing technology and HP SureSupply

IT Administrator

¹ Faxing is standard on the HP Color LaserJet CM3530fs MFP, optional for the HP Color LaserJet CM3530 MFP.

² Instant-on technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: <http://www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf>. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

Enjoy a more productive experience

Rich feature-set on a compact, space-saving design

Print, copy, scan and fax¹, as well as digital sending—enjoy full MFP functionality and features on a compact design that fits on the desktop. The HP Color LaserJet CM3530 MFP series is designed to be positioned near work teams for optimised productivity and convenience.

Exceptional performance

Increase productivity and spend less time waiting for prints with fast print and copy speeds, and Instant-on technology².

- Enjoy superb black-and-white and colour print speeds of up to 30 pages per minute (ppm), A4 and 31 ppm, letter.
- Time To Completion of a typical office print job can be up to 35% (A4), 40% (letter) faster with Instant-on technology².

Make the right impression

Print a broad range of high-quality documents including glossy and heavy paper for specific business needs. These include:

- **HP Everyday Papers**—smoother coating for trouble-free performance and reliable, general office printing.
- **HP Color Laser Photo Paper, glossy**—ideal for 4 x 6-inch promotional materials like postcards or direct mail.

Consistent, high-quality colour output

Designed to optimise print quality performance, HP ImageREt 3600 and HP ColorSphere toner technologies work together to create sharp images and crisp text of the highest quality.

- **Proprietary HP ImageREt 3600 technology**—ensure exceptional colour print quality is achieved automatically, without any intervention or reduction in speed, and with the standard amount of printer memory.
- **Improved HP ColorSphere toner**—produce a wide range of colours for subtle shading and fine gradations between colour transitions to help create professional-looking documents in-house.

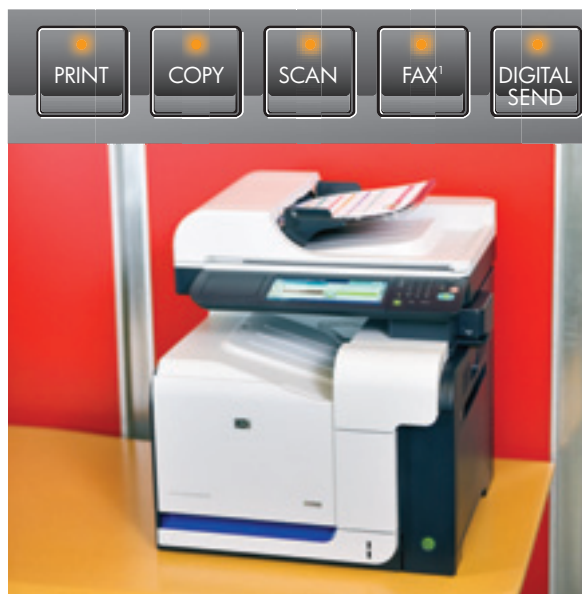

Original HP supplies

Experience reliable, trouble-free printing and professional results with original HP Color LaserJet print cartridges.

- **HP print cartridges with built-in HP Smart printing technology**—ensure consistent, optimised print quality.
- **HP Smart printing technology**—allows you to monitor current supplies, and print successfully every time.
- **HP SureSupply**—works together with HP Smart printing technology to help you track and manage supplies usage, so you can replenish your supplies speedily and with convenience.

¹ Faxing is standard on the HP Color LaserJet CM3530fs MFP, optional for the HP Color LaserJet CM3530 MFP.

² Instant-on technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: <http://www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf>. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

Full MFP functionality that fits on a desk

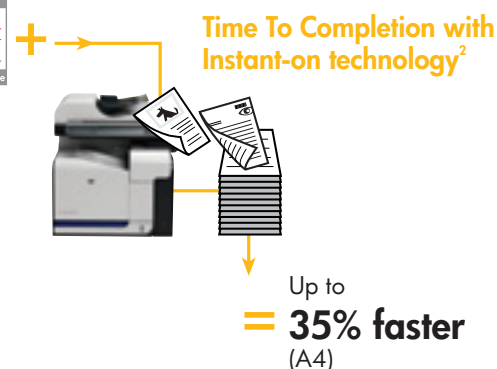

A4

Print up to
30 ppm

Letter

Print up to
31 ppm

Boost productivity with fast print speeds

Speedier printouts with Instant-on technology²

Professional-quality images and text with HP colour technologies

Award-winning¹ HP Easy Select Control Panel

Easy to navigate and troubleshoot, the intuitive and familiar interface of the HP Easy Select Control Panel offers a consistent user experience. It simplifies operations and allows users to easily programme functions and view help messages with the navigation buttons and a colour touchscreen graphical display.

User-friendly, intuitive HP Easy Select Control Panel

Powerful management tools

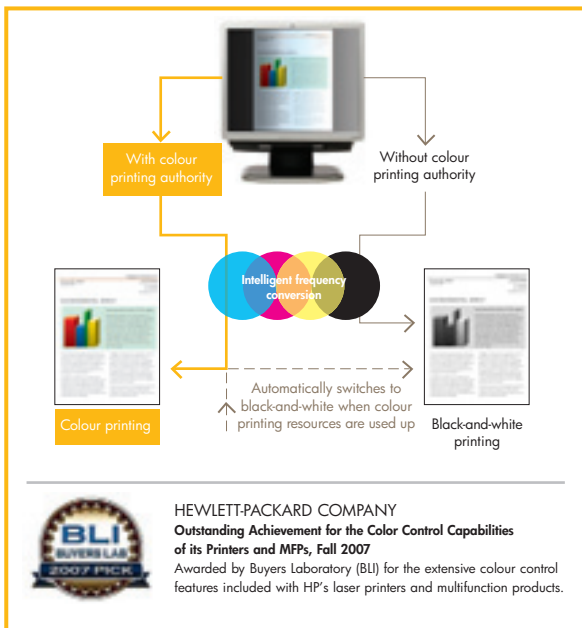

Combining outstanding usability and productivity, the HP Color LaserJet CM3530 MFP series offers the best user experience through simplified device management and better control over a fleet of HP LaserJet MFPs.

- **Job Queue Management**—effortlessly manage and control print, copy, and incoming/outgoing fax² jobs.
- **HP Web Jetadmin**—optimise device fleets, automate routine tasks, track supplies usage through customisable templates, and get proactive supplies reporting and alerts.
- **HP Easy Printer Care**—monitor and maintain from 2 to 20 HP printers simultaneously, track ink and toner usage, and consolidate ordering information for easy ordering of supplies.
- **HP Embedded Web Server**—perform remote diagnostics, perform job tracking and accounting, send e-mail alerts, and conveniently reorder supplies.

¹ Buyer's Lab gave HP a "Pick of the Year" award in December 2006 for "Outstanding Achievement for the User Interface Design" of its multifunction printers.

² Faxing is standard on the HP Color LaserJet CM3530fs MFP, optional for the HP Color LaserJet CM3530 MFP.

Reduce total costs with technology that matters

Control user access to colour printing with HP Color Access Control

Original HP cartridges and paper reduce paper jams

Manage colour printing usage and costs

Manage colour toner usage and waste, control costs, and make informed decisions that improve operational efficiency with colour management technologies.

- **HP's award-winning³ Color Access Control (CAC) technology**—keep colour printing and copying expenses under control by limiting colour access to specific users, workgroups or applications.
- **Auto Colour Sensing**—perform an automatic analysis of each scanned page to accurately detect and monitor whether a document is colour or black-and-white, and adjust settings automatically.

Reduce paper cost with automatic duplex printing and copying

HP Universal Print Driver—reduce paper use with automatic two-sided printing for individual printers or entire fleets. Within HP, using our Universal Print Driver to configure printers for two-sided printing, we expect to save up to 800 tons of paper a year, at an annual savings of US\$7.7 million.

Print black pages for the same cost as on a black-and-white HP LaserJet MFP⁴

The HP Color LaserJet CM3530 MFP series provides black-and-white printing for the same cost as black printing on an HP black-and-white laser device, providing affordable black-and-white documents without being penalised for printing on a colour device.

Reduce intervention and increase cost-effectiveness

Enjoy cost-effective operations and trouble-free performance while reducing the need for frequent intervention with high capacity black X replacement cartridges and reliable HP Everyday Papers.

³ Buyer's Lab gave HP an "Outstanding Achievement" award in December 2007 for the extensive colour control features included with its laser printers and multifunction products.

⁴ Compared to the HP LaserJet M3035 MFP series, using HP Q7551X Print Cartridge. Yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images, number of colour pages printed or copied and other factors (including frequency of TCU replacement).

Increase your business advantage

Proactive security management

The HP Color LaserJet CM3530 MFP series offers industry-leading security capabilities and solutions that are designed to enable secure management, network communications, output, access, and device integrity.

- **Secure confidential and business-critical data** on the MFP, and ensure only authorised users have access to that data.
- **Disk drive lock**—physically secure the hard disk drive on the device from theft and tampering using an accessory lock that requires a physical key for removal.
- **Secure overwrite of data**—built-in capabilities safely erase job files and histories from the hard disk.
- **Encrypted hard disk option**—protect data stored on the MFP with HP high-performance secure hard disks.
- **Private printing**—four standard and one optional job retention features enable private printing:

Proof and hold—Quick and easy way to print one copy, and proof it before printing the remaining copies.

Personal Job—Protect confidential documents. Job will not be printed until released with a 4-digit Personal Identification Number (PIN).

Quick Copy—Print requested number of copies of a job and store a copy on the laser MFP's hard disk for future printing.

Stored Job—Allow download of a print job to the laser MFP's hard disk to be printed when required.

Pull Printing—Save documents electronically in the device, or on a server, until authorised user is ready to retrieve and print.

Enhanced networking/security

Improved networking/security with HP Jetdirect Gigabit Ethernet embedded print server for connecting to a 10/100/1000 Base-TX network.

- IPSec secure networking for the MFP—encrypt information on the network and help ensure data gets to the intended destination(s)¹.
- IPSec, a component of the IPv6 specification, can work in either IPv4 or IPv6 networks.

Hardware Integration Pocket

The device's Hardware Integration Pocket in the control panel offers the opportunity to integrate optional security solutions like secure card access.

¹ IPv6 security is available with the HP Jetdirect 635n internal print server.

Step 1 Send confidential documents to print

Step 2 Only prints after keying access code

Step 3 Keep documents secured and confidential

Private printing keeps sensitive documents from prying eyes

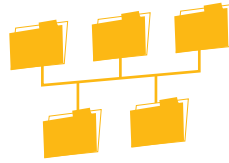

Securely send data to printers with advanced IPSec encryption

e-mail

network folders

printers

fax¹ services

Scan and send documents with ease with digital sending features

Create professional-looking colour documents in-house

With a range of media and finishing options, organisations can produce professional-looking documents in-house, and impress your customers for less than the cost of outsourcing.

- Print a wide variety of documents in various looks and feels with media support for sizes from 98.4 x 148 mm² to 216 x 356 mm, and weights from 60 g/m² to 220 g/m².
- 500-sheet paper and heavy media tray³ supports a range of paper types in sizes up to 216 x 356 mm (8.5 x 14-inch), and increases total input capacity to up to 850 sheets.
- Support a variety of media types, including various papers, transparencies, labels, envelopes, and card stock.
- The 50-sheet automatic document feeder (ADF) allows for unattended copying, scanning, and faxing¹.
- The included convenience stapler (only available on HP Color LaserJet CM3530fs MFP) allows finishing tasks to be performed more easily.

Cost-effective work flows

The HP Color LaserJet CM3530 MFP series offer optional digital sending⁴ features to streamline workflows in the office. Users can easily scan and send documents and images from the MFP directly to e-mail, network folders, printers, and fax¹ services from the device control panel.

HP Web Jetadmin—facilitate document workflows by incorporating paper documents into business processes with expanded send-to options to improve efficiency and to save cost. You can configure and manage these features using this web-based device management tool.

HP and partner solutions

HP partnerships enable access to integrated third-party solutions. Maximise returns on hardware investment with access to document capture, job accounting, and security solutions.

- Easily capture, route, manage, and share valuable business documents across distributed environments and mixed platforms with document capture solutions.
- Deploy a suite of industry-leading job accounting print solutions to focus on cost allocation, authorisation, pay-for-print, and asset utilisation.

FROM STANDARD WEB BROWSER:

- Track usage by user
- Install firmware
- Configure device
- Conduct remote diagnostics
- Organise devices

Printer alerts and real-time status reports automatically e-mailed

Auto-grouping allows administrators to group peripherals for ease of navigation

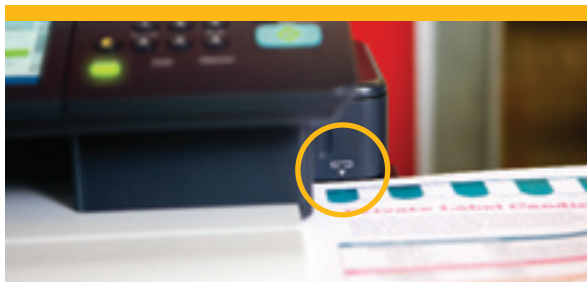

WARNING

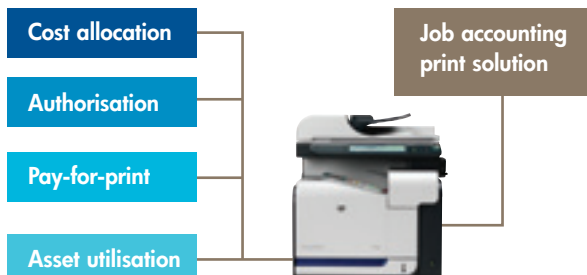

Solve potential problems before they impact productivity

Comprehensively manage devices from a web browser with HP Web Jetadmin

Perform finishing task with ease with the included convenience stapler

Wide support for integrated third-party solutions

¹ Faxing is standard on the HP Color LaserJet CM3530fs MFP, optional for the HP Color LaserJet CM3530 MFP.

² This is the minimum paper size supported by the multipurpose tray. Trays 2 and 3 support a minimum paper size 148 x 210 mm.

³ Optional (not included, sold separately).

⁴ HP Digital Sending Software is optional (not included, sold separately). Software is server based; server required.

Maximised results, minimised environmental impact

The HP Eco Solutions Programme makes it easy to boost the organisation's bottom line while limiting its environmental impact. HP solutions can help reduce costs, save energy, conserve resources and gain efficiencies. With HP, there's no trade-off between achieving enterprise performance and meeting environmental goals.

REDUCE COSTS

- Minimise idle power use and still print quickly. Innovative Instant-on technology reduces power consumption by **up to 50 percent**, yet delivers the first-page-up to **four times** faster than products without this technology.
- Cut the cost of energy consumption. The HP Color LaserJet CM3530 MFP series automatically reduces power consumption after a designated period of inactivity, and requires less than 1 watt of power in Off mode. And, with HP Web Jetadmin, you can remotely schedule sleep and wake-up modes to conserve power.
- Globally proven energy efficiency. As an ENERGY STAR® partner, HP Color LaserJet CM3530 MFP series meets ENERGY STAR® guidelines for energy efficiency. (For a list of ENERGY STAR® qualified HP models; see: <http://www.hp.com/go/energystar>)

SAVE RESOURCES

- Consume less paper by printing on both sides. HP Web Jetadmin software and HP Universal Print Driver make it easy to set automatic duplex printing and copying for individual MFPs or entire fleets—reducing paper consumption.

MAKE A DIFFERENCE

- Capture and send documents electronically. HP Color LaserJet CM3530 MFP series include Digital Sending technology, making it easy to digitise, distribute, store and archive documents in digital form. Customers can print when and where needed, thus reducing wasted paper, transportation and storage costs.
- Make recycling convenient and practical. Since 1991, HP's industry-leading Planet Partners recycling Programme¹ has made it easy to recycle printers, cartridges, and other technology products responsibly. We make the process hassle-free for you by providing postage-paid shipping materials in many regions.

¹ Programme availability varies. HP printing supplies return and recycling is currently available in more than 41 countries, territories and regions in Asia, Europe, and North and South America through the HP Planet Partners programme.

HP Color LaserJet CM3530 MFP series

Technical specifications

HP Color LaserJet CM3530 MFP

HP Color LaserJet CM3530fs MFP

Print and copy speed¹	Black-and-white and colour: up to 30 ppm, A4 (31 ppm, letter)
First-page-out	As fast as 11 seconds from Ready, as fast as 16.5 seconds from Sleep Time To Completion for a typical print job: ² as fast as 23.3 seconds, letter
Resolution with HP ImageREt 3600 technology	
Printing	Up to 1200 x 600 dpi
Copying	Up to 600 dpi
Scanning	Up to 600 x 600 dpi (scanner), up to 600 x 300 dpi (ADF)
Faxing	Up to 300 dpi send, up to 400 dpi receive
Features	
Copying	Up to 999 multiple copies, reduce/enlarge from 25 to 400%, two-sided copying, scalability, image adjustments (darkness, background cleanup, sharpness), N-up, N- or Z-ordering, content orientation, collation, booklet, job build, edge-to-edge, job storage
Scanning	Colour flatbed scanner and ADF; Scan input modes: copy, fax (optional), e-mail, folder; File types: PDF, JPEG, TIFF, MTIFF
Faxing	HP Color LaserJet CM3530 MFP: Optional (with the separate purchase of the HP LaserJet MFP Analog Fax Accessory 500) HP Color LaserJet CM3530fs MFP: Up to 33.6 kbps, auto fax reduction, fax forwarding, remote retrieval of faxes with fax polling (receive only), broadcasting (up to 100 locations), speed dial (up to 100 lists), junk barrier, auto redialling, Windows [®] faxing supported
Digital sending	Standard: embedded scan to e-mail, send to network folder Optional via HP Digital Sending Software (HP DSS): secondary e-mail, LDAP authentication, send to folder, send to workflow, send to printer, authentication, digital fax (send to LAN, Windows 2000, Internet); File types: PDF, JPEG, TIFF, MTIFF
Processor/Memory	515 MHz; 512 MB, expandable to 1 GB; embedded 80 GB hard disk with encrypted options
Recommended monthly volume	2000 to 6000 pages ³
Duty cycle	Up to 75,000 pages ⁴
Paper	
Input	50-sheet ADF, 100-sheet multipurpose tray 1, 250-sheet tray 2, optional 500-sheet tray 3
Output	250-sheet output bin
Two-sided printing and copying	Automatic (configurable)
Sizes	Multipurpose tray 1: A4, A5, A6, B5 (JIS), B6 (JIS), double postcard (JIS), 16K; envelopes (No. 9, No. 10, Monarch, C5, C6, DL, B5); letter, legal, executive, statement, 4 x 6 inches, 5 x 8 inches, 8.5 x 13 inches; custom sizes: 98.4 x 148 mm (3.9 x 5.8 inches) to 216 x 356 mm (8.5 x 14 inches) Tray 2: A4, A5, B5 (JIS), 16K; letter, executive; custom sizes: 148 x 210 mm (5.8 x 8.3 inches) to 216 x 297 mm (8.5 x 11.7 inches) Optional tray 3: A4, A5, B5 (JIS), 16K; letter, legal, executive, 8.5 x 13 inches; custom sizes: 148 x 210 mm (5.8 x 8.3 inches) to 216 x 356 mm (8.5 x 14 inches) Automatic two-sided printing unit: A4, A5, B5 (JIS) 16K; letter, legal, executive, 8.5 x 13 inches
Weights	Multipurpose tray 1: plain paper: 60 to 216 g/m ² (16 to 58 lb bond); glossy paper: 105 to 220 g/m ² (28 to 58 lb bond) Tray 2: plain paper: 60 to 163 g/m ² (16 to 43 lb bond); glossy paper: 105 to 220 g/m ² (28 to 58 lb bond) Optional tray 3: plain paper: 60 to 176 g/m ² (16 to 47 lb bond); glossy paper: 105 to 220 g/m ² (28 to 58 lb bond) Automatic two-sided printing unit: plain paper: 60 to 163 g/m ² (16 to 43 lb bond); glossy paper: 105 to 220 g/m ² (28 to 58 lb bond)
Types	Paper (plain, preprinted, letterhead, prepunched, bond, recycled, colour, light, intermediate, heavy, extra heavy, rough, glossy, heavy glossy, tough), transparencies, labels, envelopes, card stock
Connectivity	
Interfaces	FIH port, open EIO slot, one external USB host port, one Hi-Speed USB 2.0 device port, two additional internal USB ports, HP Jetdirect Gigabit Ethernet embedded print server, hardware integration pocket on control panel HP Color LaserJet CM3530fs MFP only: fax port
Language/Fonts	HP PCL 6, HP PCL 5, HP postscript level 3 emulation, direct PDF printing v1.4; 80 HP font set (plus Greek, Hebrew, Cyrillic, Arabic)
Client operating systems	Windows [®] 2000, Windows [®] XP Home, Windows [®] XP Professional, Windows [®] Server 2003, Windows Vista [®] and Windows [®] Server 2008; x86 and x64; Mac Installer for Mac OS X v 10.3, v 10.4, v 10.5

HP Color LaserJet CM3530 MFP series

Technical specifications

Connectivity	
Networking operating systems	Windows Vista® Compatible, Windows Vista® Premium, Windows® XP Home, Windows® XP Professional, Windows® XP Professional x64, Windows® Server 2003 (32/64 bit), Windows® Server 2008 (32/64 bit), Windows® 2000 (IPv4 and IPSec on IPv4 available on all listed Windows® systems; IPv6 and IPSec on IPv6 only supported on Windows Vista® and Windows® Server 2008); Novell 5.1 or higher; Mac OS X v 10.3 or higher; Red Hat Linux 7.x or higher; SuSE Linux 8.x or higher; HP-UX 10.20, 11.x, 11.i; Solaris 2.5 or higher (SPARC systems only); IBM AIX 3.2.5 or higher (requires software from the NOS vendor); MPE-iX; Citrix MetaFrame Server; Windows Terminal Services
Network protocols	IPv4/IPv6: Apple Bonjour compatible (Mac OS v10.2.4 and later), SNMPv1/v2c/v3, HTTP, HTTPS, FTP, Port 9100, LPD, IPP, Secure-IPP, WS Discovery, IPSec/Firewall; IPv6: DHCPv6, MLDv1, ICMPv6; IPv4: Auto-IP, SLP, TFTP, Telnet, IGMPv2, BOOTP/DHCP, WINS, IP Direct Mode, WS Print; Other: IPX/SPX, AppleTalk, NetWare NDS, Bindery, NDPS, iPrint
Security	Management Security: SNMPv3, SSL/TLS, 802.1X authentication (EAP: PEAP, EAP-TLS), IPP over TLS, IPSec/Firewall with Certificate, Pre-Shared Key Authentication, and Kerberos Authentication. Support for WJA-10 IPSec Configuration using IPSec Plug-in
Minimum system requirements	Windows® 2000: 333 MHz processor with 64 MB RAM; Windows® XP: 333 MHz processor with 128 MB RAM; Windows® Server 2003: 550 MHz processor with 128 MB RAM; Windows Vista®: 800 MHz processor with 512 MB RAM; Windows® Server 2008: 1 GHz processor (x86) or 1.4 GHz processor (x64) with 512 MB RAM; all Windows operating systems also have the following requirements: A CD-ROM, DVD drive, or Internet connection with which to install the printing-system software; a dedicated USB 1.1 or USB 2.0 connectivity port, or network connection, to communicate with the product; and at least 20 MB of available hard disk space Mac OS X v10.3, v10.4, v10.5: PowerPC G3, G4, G5, or Intel Core processor; 256 MB RAM; 160 MB HD; CD-ROM; USB
Weight	HP Color LaserJet CM3530 MFP: 47.6 kg (105 lb) HP Color LaserJet CM3530fs MFP: 48.4 kg (106.6 lb)
Dimensions (w x d x h)	HP Color LaserJet CM3530 MFP: 515 x 519 x 560.5 mm (20.3 x 20.4 x 22.1 inches) HP Color LaserJet CM3530fs MFP: 543 x 519 x 560.5 mm (21.4 x 20.4 x 22.1 inches)
Environmental ranges	
Recommended temperature	15–27° C (59–81° F)
Storage temperature	0–35° C (32–95° F)
Recommended relative humidity	20–60%
Storage relative humidity	10–90%
Altitude	0–2,500 m (0–8,000 ft)
Acoustics	
Sound power	Active, printing: 6.8 B(A), copying with ADF active: 7.0 B(A); Ready: 4.8 B(A)
Bystander sound pressure	Active, printing: 53 dB(A), copying with ADF active: 55 dB(A); Ready: 34 dB(A)
Power requirements	115–127 V (±10%), 50/60 Hz (± 2 Hz) 220–240 V (±10%), 50/60 Hz (± 2 Hz)
Power consumption³ (ENERGY STAR® compliant)	Active: 652 watts; Active (copy/scan): 666 watts; Ready: 87.4 watts Sleep 1: 72.2 watts; Sleep 2: 18.1 watts; Off: 0.84 watts
Power certifications	
EMC compliance	CISPR 22: 2005/EN 55022: 2006 Class A, EN 61000-3-2: 2000+A2, EN 61000-3-3:1995+A1, EN 55024:1998+A1+A2, FCC Title 47 CFR, Part 15 Class A (USA), ICES-003, Issue 4, (Canada), GB9254-1998, EMC Directive 2004/108/EC with CE Marking (Europe); other EMC approvals as required by individual countries
Safety compliance	IEC 60950-1 (International), EN 60950-1+A11 (EU), IEC 60825-1+A1+A2, UL/cUL Listed (US/Canada), GS License (Europe), EN 60825-1+A1+A2 (Class 1 Laser/LED Device) GB4943-2001, Low Voltage Directive 2006/95/EC with CE Marking (Europe); other safety approvals as required by individual countries
Telecom	ES 203 021, R&TTE Directive 1999/5/EC (Annex II) with CE Marking (Europe), FCC Part 68, Industry Canada CS03, NOM-151-SCTI-1999 (Mexico), PTC-200 (New Zealand), AS/ACIF S002: 2001 (Australia), IDA PSTN1 (Singapore), TPS002-01 (Malaysia), IG 0005-11 (Taiwan), HKTA 2011 (Hong Kong SAR), YD514, YD/T589, YD703, GB3382 (China); other Telecom approvals as required by individual countries
What's in the box	MFP, preinstalled full-capacity 5000-page ⁶ black and 7000-page ⁶ cyan, magenta, and yellow HP Color LaserJet print cartridges with HP ColorSphere toner, toner collection unit, in-box documentation (Getting Started Guide, digital send installation guide, support flyer, wall poster), software drivers and documentation on CD ROM, power cable, control panel overlay, 100-sheet multipurpose tray, 250-sheet input tray HP Color LaserJet CM3530fs MFP only: HP LaserJet MFP Analog Fax Accessory 500, phone cord, convenience stapler
Warranty	One-year, next business day, onsite limited warranty

¹ Exact speed varies depending on system configuration, software application, driver, and document complexity.

² Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

³ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁴ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.

⁵ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

⁶ Average continuous composite cyan/yellow/magenta cartridge yield 7000 standard pages, average continuous composite CE250A black cartridge yield 5000 standard pages, and average continuous composite CE250X high capacity black cartridge yield 10,500 standard pages. Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies.

Ordering information

Product

CC519A	HP Color LaserJet CM3530 MFP
CC520A	HP Color LaserJet CM3530fs MFP

Supplies¹

CE250A	HP Color LaserJet Black Print Cartridge
CE250X	HP Color LaserJet Black Print Cartridge, high capacity
CE251A	HP Color LaserJet Cyan Print Cartridge
CE252A	HP Color LaserJet Yellow Print Cartridge
CE253A	HP Color LaserJet Magenta Print Cartridge
CE254A	HP Color LaserJet Toner Collection Unit (36,000 pages)
CE484A	HP Color LaserJet 110 Volt Fuser Kit (100,000 pages)
CE506A	HP Color LaserJet 220 Volt Fuser Kit (100,000 pages)
Q7432A	Staple Cartridge Refill

Accessories

CE522A	500-sheet Paper and Heavy Media Tray
CC487A	HP LaserJet MFP Analog Fax Accessory 500
T1936AA	HP Digital Sending Software 4

Memory/storage

CC409A	128 MB, 200-pin DDR DIMM
CC410A	256 MB, 200-pin DDR DIMM
CC411A	512 MB, 200-pin DDR DIMM
J8018A	HP High-Performance Secure Hard Disk
J8019A	HP High-Performance Secure EIO Hard Disk

Connectivity

J7997G	HP Jetdirect 630n IPv6 Gigabit Ethernet Print Server
J7961G	HP Jetdirect 635n IPv6/IPSec Print Server
J7988G	HP Jetdirect en1700 IPv4/IPv6 Print Server
J7942G	HP Jetdirect en3700 Fast Ethernet Print Server
J7951G	HP Jetdirect ew2400 802.11g Wireless Print Server
J7972G	HP 1284B Parallel Card

Care pack

UK937A/E	HP 3-year, Next Business Day, Hardware Support
UL356E	HP 4-year, Next Business Day, Hardware Support
UL357E	HP 5-year, Next Business Day, Hardware Support
UL358E	HP 3-year, 4-hour, 9 x 5 Same Day, Hardware Support
UL359E	HP 3-year, 4-hour, 13 x 5 Same Day, Hardware Support
UL364PE	HP 1-year, Post-warranty Next Business Day, Hardware Support
UL365PE	HP 1-year, Post-warranty 4-hour, 9 x 5 Hardware Support
UL366PE	HP 1-year, Post-warranty 4-hour, 13 x 5 Hardware Support
UL417E	HP 3-year, Next Business Day, Disk Memory Retention Support
UL418PE	HP 1-year, Post-warranty Next Business Day, Disk Memory Retention Support
HC132PE	HP 1-year, Post-warranty Phone Assistance, High-end Printer Service
