CPUAC600 UNIVERSAL POWER ADAPTER

Your replacement or spare AC adapter for portable electronic equipment.

The CyberPower CPUAC600 Universal Power Adapter functions as a replacement AC adapter or a substitute for batteries in portable radios, smartphones, MIDI equipment, electronic gaming systems, and home office equipment which use up to 600mA of power. Features include a folding AC plug, voltage selector, power cord (5 ft.), and a set of seven adapter tips compatible with many electronics. The CPUAC600 comes with a one-year limited warranty.
