

Mini Nano Travel Mice

Go Nano! Consumers can make a fashion statement with these tiny, stylish and convenient Mini Travel Mice with Nano Receiver from Verbatim. The ultra-portable design takes up little space and is perfect for notebook users. The small nano receiver plugs into the USB port on a laptop and can stay—no need to plug and unplug a bulky receiver!

On a plane or in a car, this mini mouse's nano receiver easily plugs into a USB port and then the consumer can start dragging and dropping files. This portable mouse comes in a variety of cool colors and works on any computer with a USB port.

Features & Benefits

- **Design** - Ultra portable design available in sleek graphite, eggplant purple, electric blue, and fire engine red
