

PS667 USB 2.0 Simplex Card Scanner

Quickly and easily digitize images of a wide range of identity documents such as driver's licenses, ID cards, insurance cards, business cards and checks with the Ambir PS667 simplex card scanner. Designed to efficiently scan thick materials such as laminated ID cards and plastic cards with embossed characters*, the PS667 delivers commercial grade scanning quality in a lightweight, ultra compact footprint. And with convenient USB 2.0 connectivity to desktops, laptops, tablet computers and Point of Sale (POS) systems, the PS667 requires no external power adapter.

The PS667 comes with AmbirScan™, Ambir's powerful imaging software. AmbirScan features support for PDF, JPEG, GIF, BMP, and now TIFF extensions. Fixed file locations let you set a default save location for your scans. AmbirScan also has a recently enhanced user interface.
