Short description

Intel® Core™ i7-3630QM processor, Windows 8, NVIDIA® GeForce® GT 650M graphics, 1,000 GB hard drive, 32 GB mSATA SSD, 8 GB memory, Blu-ray drive, Dolby Home Theater® v4, MEDION® Solid Keyboard, 39.6 cm/15.6" matt full HD display

Long description

The MEDION® AKOYA® P6815 is your powerful mobile partner. Its Intel® Core™ i7-3630QM processor and the NVIDIA® GeForce® GT 650M graphics are the basis for fabulous multimedia fun. You can enjoy your films in brilliant full HD quality on the non-reflective 39.6 cm/15.6" widescreen LED backlight display. The Dolby Home Theater® v4-certified speakers open the way to a unique sound experience. Windows 8 is installed as the operating system – it is faster, more reliable and simplifies your daily tasks.

The WLAN n-standard technology provides a high-speed wireless connection to the World Wide Web. Thanks to the HD webcam and integrated microphone, you are ideally equipped for Internet communication. Transfer data more quickly than ever: using the latest USB 3.0 interface technology. This well-equipped PC comes complete with DVD burner, 1,000 GB hard drive, 32 GB mSATA SSD and 8 GB RAM memory: the MEDION® AKOYA® P6815 provides a first-class yet reasonably priced entry into the mobile world of entertainment.

You will be impressed not only by the elegant design, but also the sophisticated hardware components: The MEDION® Solid Keyboard, with its individually mounted

MEDION AKOYA P6815 Laptop (MD98296)

keys and numeric keypad, provides greater stability and quick and easy input. The MultiTOUCHpad's intuitive capacity to interpret gestures for scroll, zoom and rotate commands, means you have various functions at your fingertips.

Windows 8

Beautiful, fast and fluid

Windows 8 has been redeveloped to be all about you. Put what matters most right on your Start screen and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing.

Third-generation Intel® Core™ i7-3630QM processor.

(2.4 GHz, with Turbo Boost Technology 2.0 up to 3.4 GHz, 6 MB Intel® Smart Cache, Intel® Hyper-Threading Technology)

Intelligent performance at the highest level. Get yourself top performance for the most demanding applications – with a visibly intelligent third-generation Intel® Core™ i7 processor. Intel® Turbo Boost Technology 2.0 automatically switches the processor to maximum speed when your notebook needs that little extra bit of performance for demanding tasks.

NVIDIA® GeForce® GT 650M DirectX® 11 graphics

with 2,048 MB memory and digital HDMI® audio/video output

Thanks to intelligent NVIDIA® Optimus™ technology, the computer can switch automatically between powerful NVIDIA® graphics or the power-saving integrated graphics depending on the application being used.

Matt 39.6 cm/15.6" widescreen LED backlight display

with a full HD resolution of 1920 x 1080 pixels

Dazzling film enjoyment in 16:9 widescreen format thanks to the crystal-clear picture and rich colour reproduction

Blu-ray reader/multi-standard DVD/CD burner*

with DVD-RAM and dual layer support

Living sound – high-definition audio with 2 loudspeakers –

Dolby Home Theater® v4-certified*

Dolby Home Theater® transports you right into the very middle of the events on your screen – providing a cinematic experience for home or on the move. Thanks to the high-performance, modern audio technology, with Dolby Home Theater you can enjoy music, films and games with lively surround sound.

MultiTOUCHpad

With its intuitive capacity to interpret gestures for scroll, zoom and rotate commands, you can control various functions with a touch of your fingertips

MEDION® Solid Keyboard

Ergonomic keyboard with individually mounted keys and numeric keypad provides greater stability and quick and easy input!
