1080P FULL HD DASH CAM with  
**Bluetooth®** Smart Enabled GPS  
and iRadar Alerts

### 1080P Full HD

Records the road ahead in 1080P Full HD Video.

### iRadar Community

**Bluetooth®** enabled alerts to Red Light Cameras, Speed Cameras, Live Police Locations, and Shared Radar Alerts.

### Bluetooth® Enabled GPS

Embeds exact location and time into video recordings. Free PC software allows you to view video along with location and G-Sensor information.

### Simplified User-Interface

Easy on the eyes and easy to use. Available for sale worldwide.

### 2.0" LCD Screen

Includes Mini HDMI output to directly play footage on your HD TV or computer (cable not included).

### 160° Viewing Angle

Ultra wide viewing angle films the entire road and your peripherals.

**drive HD™**  
Record your ride

 **Bluetooth®**  
SMART

For a full list of **Bluetooth®** Smart ready devices visit [www.bluetooth.com](http://www.bluetooth.com)

## Additional Features

## Benefits

<b>Parking Mode</b>	Parking Mode provides security while your vehicle is parked. If the dash cam doesn't sense any motion for a set time the screen will turn off and recording will stop. If motion is detected or the G-Sensor is triggered, the camera will automatically wake up and start recording again.
<b>SnapShot</b>	Snap a still photo at any time during a video with the all new SnapShot feature.
<b>Improved Video Quality</b>	Gorgeous 1080P Full HD video with an ultra wide 160° lens. The road never looked so good.
<b>Action Cam Mode</b>	Improved battery life frees your dash cam from the confines of your windshield. Switch to action cam mode to disable the G-Sensor and Loop Recording.
<b>Quick Release Mount</b>	Sliding mount allows for quick setup or teardown on any mount that uses a standard tripod mount screw.

## Set Up Information

<b>Unit Dimension</b>	2.28" H x 2.56" W x 1.24" D (58mm x 65mm x 31.6mm)	<b>Giftbox Weight</b>	0.5 lbs.
