BLUETOOTH KEYBOARD CASE

## The smarter case for your iPad

A brilliantly designed Bluetooth keyboard case, with rugged bump protection, pencil storage, and full-function trackpad to make your iPad experience even smarter.

### Smarter Features

- » Military spec protection - Passes the U.S. Military spec 810G drop test with rubberised TPU bracket for even the most accident prone among us
- » Bluetooth keyboard - Pairs easily with iPad to provide seamless typing and trackpad experience
- » Fully functional trackpad - Allows you to click, swipe, zoom, and scroll just as you'd expect from a trackpad
- » Spill and pry resistant - The ruggedised Dux Bluetooth Keyboard resists little spills & splashes as well as keys being pried off by curious little fingers or accidental snags
- » Adjustable 180° Infinity Stand - Adjust your iPad to view at the angle most comfortable for you with the smooth and sturdy built-in Infinity Stand
- » Pencil Storage - Keep your Apple Pencil or Logitech Crayon handy and securely stowed in the dedicated storage slot
- » Up to 84 hour battery life - Over 80 hour bluetooth keyboard battery life per charge
