

TOMTOM™

ONE XL

Portable
Extra-wide screen
GPS
navigation system

Find your way the easy way

Expand your horizons with the new TomTom ONE XL. The distinctive design combines an extra-wide 4.3" touchscreen and the power of GPS in a slim, lightweight device. Easily taken from car to car. Switch it on and go right out of the box. Just a few taps on the screen and the ONE XL does the rest. The crystal-clear display, 3D view and spoken turn-by-turn instructions help you find your way, worry free. Preloaded maps of the US and Canada and millions of points of interest enhance your traveling experience. With the ONE XL you can access smart extras like real-time traffic, 5-day weather forecasts and celebrity voice downloads. No activation, no monthly fees, it's that easy.

TomTom is the world's largest provider of portable GPS navigation solutions.
