

Mobile music for all

Play up to 20 hours' worth of your favourite songs out loud on high-quality speakers wherever you go with your Nokia 5130 XpressMusic. Take photos with its 2-megapixel camera and share them easily online, via Bluetooth, email or MMS. Also, keep your library of music and memories growing with up to 2GB of memory.

Features at a glance

- Enjoy up to 20 hours of music playback from an MP3 music player with high-quality loudspeakers.
- Store your photos and music on the included 1GB microSD memory card or more with the optional 2GB microSD card.
- Share photos taken on the 2-megapixel camera - or your other files - smoothly via Bluetooth, email, MMS or online.
