

ALIENWARE™

ALIENWARE ORION MESSENGER

Opens flat for easy scanning at airport checkpoints

Multiple, spacious interior sections for all your gear

Detailed Alienware details and styling

Model#: ME-AWMC2.0 SRP: \$99.99

Carrying your gear in the Alienware Orion messenger bag is as comfortable as it is convenient due to the extra-thick, padded shoulder strap. Alien accents throughout the bag, including the bold, black chrome Alien Head icon on the front, set this bag apart from the crowd. Accommodates large laptops up to 17.3".

The ScanFast™ Collection is designed to speed you through airport security checkpoints quickly. You no longer need to remove your laptop from your case. The ScanFast Collection has been tested and exceeds the Transportation Security Administration (TSA) guidelines for Checkpoint Friendly Carry-on luggage.

Features

- Fits widescreen laptops up to 17.3"
- Checkpoint Friendly Laptop Bag, TSA compliant. Leave your laptop in the bag when passing through airport security checkpoints.
- Loads of interior pockets to carry your gear
- Wireless Security Shield™ protects your cell phone from hackers
- Ergonomic backing and shoulder straps for maximum comfort
- Lifetime Warranty
