Rich, clear sound for every adventure.

With the VisionTek VTK Audio Pro V2, you can listen to your music anywhere you go. Enjoy high-quality sound with rich bass and clear treble. The Waterproof IPX7 build makes this an ideal portable speaker to take on the go to the beach or back rails. With TWS technology, you can connect two VTK Audio Pro V2 speakers for a true stereo experience.

Features and Benefits

Rich, Clear Music

With dual passive radiators and two built-in speakers, enjoy rich bass and clear treble wherever you go. The speaker and radiator design allows for full 360° sound.

Bluetooth 4.2 & NFC Connections

Bluetooth 4.2 technology provides a lower power consumption connection so you can listen to the best songs all day long. With the 30 foot signal range, you're free to move about while enjoying your music. The VTK Audio Pro V2 also supports NFC device connections.

FAQ

For California Residents Only:

WARNING: Cancer and Reproductive harm. For more information, go to www.p65warnings.ca.gov

* Please, Note that Proposition 65 may be best defined as a “Right To Know” law in California and Prop 65 warning labels are not an indication that a product is violating safety standards or regulations. The Prop 65 warning label does not mean our products inevitably cause cancer or reproductive harm. We do not consider our products harmful when used as intended. However, it is a necessary precaution to provide the warning because of this California law.
